| 17 |                                                                              |    |
| 18 |                                                                              |    |
| 19 | BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:              |    |
| 20 |                                                                              |    |
| 21 | SECTION 1. Arkansas Code Title 23, Chapter 79, is amended to add an          |    |
| 22 | additional subchapter to read as follows:                                    |    |
| 23 | Subchapter 15 — Coverage for Craniofacial Anomaly Corrective Surgery         |    |
| 24 | 23-79-1501. Definitions.                                                     |    |
| 25 | As used in this subchapter:                                                  |    |
| 26 | (1) "Corrective surgery" means the use of surgery to alter the               |    |
| 27 | form and function of the cranial facial tissues due to a congenital or       |    |
| 28 | acquired musculoskeletal disorder;                                           |    |
| 29 | (2) "Craniofacial anomaly" means a congenital or acquired                    |    |
| 30 | musculoskeletal disorder that primarily affects the cranial facial tissue;   |    |
| 31 | and                                                                          |    |
| 32 | (3)(A) "Health benefit plan" means an individual, blanket, or                |    |
| 33 | group plan, policy, or contract for health care services issued or delivered |    |
| 34 | by a health care insurer, health maintenance organization, hospital medical  |    |
| 35 | service corporation, or self-insured governmental or church plan in this     |    |
| 36 | state.                                                                       |    |

03-08-2013 11:48:32 ANS126

| 1  | (B) "Health benefit plan" includes:                                           |
|----|-------------------------------------------------------------------------------|
| 2  | (i) Indemnity and managed care plans; and                                     |
| 3  | (ii) Governmental plans as defined in 29 U.S.C. §                             |
| 4  | 1002(32), as it existed on January 1, 2013, except governmental self-financed |
| 5  | insurance organizations.                                                      |
| 6  | (C) "Health benefit plan" does not include:                                   |
| 7  | (i) Disability income plans;                                                  |
| 8  | (ii) Credit insurance plans;                                                  |
| 9  | (iii) Insurance coverage issued as a supplement to                            |
| 10 | liability insurance;                                                          |
| 11 | (vi) Medical payments under automobile or                                     |
| 12 | homeowners' insurance plans;                                                  |
| 13 | (v) Health benefit plans provided under Arkansas                              |
| 14 | Constitution, Article 5, § 32, the Workers' Compensation Law, § 11-9-101 et   |
| 15 | seq., and the Public Employee Workers' Compensation Act, § 21-5-601 et seq.;  |
| 16 | (vi) Plans that provide only indemnity for hospital                           |
| 17 | <pre>confinement;</pre>                                                       |
| 18 | (vii) Accident only plans; or                                                 |
| 19 | (viii) Specified disease plans.                                               |
| 20 |                                                                               |
| 21 | 23-79-1502. Craniofacial anomaly - Coverage for corrective surgery            |
| 22 | required.                                                                     |
| 23 | (a)(l) A health benefit plan that is offered, issued, or renewed in           |
| 24 | this state shall offer coverage for corrective surgery and related medical    |
| 25 | care for persons of any age who have been diagnosed as having a craniofacial  |
| 26 | anomaly if the surgery and treatment are medically necessary as determined by |
| 27 | a nationally accredited cleft-craniofacial team.                              |
| 28 | (2) A nationally accredited multidisciplinary team for                        |
| 29 | craniofacial-cleft conditions shall:                                          |
| 30 | (A) Evaluate persons with craniofacial anomalies; and                         |
| 31 | (B) Coordinate a treatment plan for each person.                              |
| 32 | (b) Medical care covered under this section includes corrective               |
| 33 | surgery, dental care, vision care, and the use of one (1) or more hearing     |
| 34 | aids.                                                                         |
| 35 |                                                                               |
| 36 | 23-79-1503. Rules.                                                            |

| 1        | The State Insurance Department shall develop and promulgate rules for |
|----------|-----------------------------------------------------------------------|
| 2        | the implementation and administration of this subchapter.             |
| 3        |                                                                       |
| 4        | /s/Hawthorne                                                          |
| 5        |                                                                       |
| 6        |                                                                       |
| 7        |                                                                       |
| 8        |                                                                       |
| 9        |                                                                       |
| 10       |                                                                       |
| 11       |                                                                       |
| 12       |                                                                       |
| 13       |                                                                       |
| 14       |                                                                       |
| 15       |                                                                       |
| 16       |                                                                       |
| 17       |                                                                       |
| 18       |                                                                       |
| 19       |                                                                       |
| 20       |                                                                       |
