4 victim who is eighteen (18) years of age or older and is still a student; and

5 (D) "Student" means a person who is enrolled in a public
6 or private school in any level from prekindergarten through grade twelve
7 (preK-12).

8 (2) The code of ethics shall include without limitation the
9 following provisions:

10 (A) A standard that an educator maintains a professional
11 relationship with each student, both in and outside the classroom;

12 (B) An educator in a supervisory role in an Arkansas
