1 transition to a state-funded deputy prosecuting attorney system, to provide 2 an appropriate and adequate level of legal representation through deputy 3 prosecuting attorneys in all areas of the state. It is recognized by the 4 General Assembly that in many areas of the state, resources have not been 5 available to support deputy prosecuting attorney salaries at the necessary 6 level. With the transition of local funding of deputy prosecuting attorney 7 salaries to state funding, it is not the intent of the General Assembly to 8 adversely affect those districts whose system has been working well or to 9 implement a system which is too inflexible to respond to the needs of each 10 judicial district. Therefore, the Prosecution Coordination Commission is 11 charged with the responsibility of assisting in the maintenance of a system 12 which equitably serves all areas of the state by providing quality deputy 13 prosecuting attorneys.
