3       SECTION 2. EMERGENCY CLAUSE. It is found and determined by the  
4 General Assembly of the State of Arkansas that some employees of post-  
5 secondary institutions of higher education were denied membership in the  
6 Arkansas Teacher Retirement System because of the requirement that they be a  
7 vested member of the system at the time of employment; that options for  
8 retirement and retirement planning should be available for employees who  
9 continue to serve the state through the educational system; that certain  
10 colleges who participate in the system want to offer new employees additional  
11 retirement options; and that this act is necessary to ensure the educational  
12 professional who was hired between July 1, 2011 and June 30, 2013 and remains  
13 employed by a PSHE employer is not prohibited from becoming a member of the  
14 Arkansas Teacher Retirement System. Therefore, an emergency is declared to  
15 exist, and this act being necessary for the preservation of the public peace,  
16 health, and safety shall become effective on July 1, 2013.
