21 Recycling tax credits.

22 (a)(1)(A) A qualified manufacturer of steel that has been certified
23 under Section 5 of this act after January 1, 2013, and prior to December 31,
24 2020, and that has qualified for the income tax credit for the purchase of

26 26-51-506, may carry forward any unused income tax credit earned under § 26-
27 51-506 for a period of fourteen (14) consecutive years following the taxable
28 year in which the credit originated.

29 (B) However, if a qualified manufacturer of steel is not
30 certified under Section 5(b) of this act, the carry-forward period allowed
31 under subdivision (a)(1)(A) of this section shall be reduced by one (1) year
32 for each year that the qualified manufacturer of steel does not obtain
33 certification under Section 5(b) of this act.

34 (2) Income tax credits that would otherwise expire during that
35 period shall be claimed first.

36 (b)(1) As used in subdivision (a)(1) of this section, the term "waste

1 reduction, reuse, or recycling equipment” as defined in § 26-51-506 shall
2 include production, processing, and testing equipment used to manufacture

4 (2) The provisions of § 26-51-506(d)(4) shall not apply.

5 (3) However, the qualified manufacturer of steel shall make a
6 good faith effort to use recovered materials containing Arkansas post-
7 consumer waste as a part of the materials used.

8 (c)(1) Except as provided in subdivision (c)(2) of this section, the
9 refund provisions of Arkansas Code § 26-51-506(f) shall not apply to a
10 qualified manufacturer of steel that has been certified under Section 5 of
11 this act.

12 (2) The qualified manufacturer of steel shall refund the amount
13 required under subdivision (c)(3) of this section if within three (3) years
14 of the taxable year in which the credit originated:

15 (A)(i) The waste reduction, reuse, or recycling equipment
16 is removed from Arkansas, disposed of, or transferred to another person, or
17 the qualified manufacturer of steel otherwise ceases to use the required
18 materials or operate in accordance with § 26-51-506 or this section.

19 (ii) Reorganization transactions, changes of
20 ownership and control, and sales and transfers of waste reduction, reuse, or
21 recycling equipment among affiliates which do not constitute sales or
22 transfers to a third-party purchaser shall not be considered disposals,
23 transfers, or cessations of use for purposes of § 26-51-506 or this section;
24 or

25 (B) The Director of the Arkansas Department of
26 Environmental Quality finds that the qualified manufacturer of steel has
27 operated the waste reduction, reuse, or recycling equipment in a manner which
28 demonstrates a pattern of intentional failure to comply with final
29 administrative or judicial orders which clearly indicates a disregard for
30 environmental regulation.

31 (3) If the provisions of subdivision (c)(2) of this section
32 apply, the qualified manufacturer of steel shall refund the amount of the
33 allowed tax credit claimed by the qualified manufacturer of steel which
34 exceeds the following amounts:

35 (A) Within the first taxable year, zero dollars (\$0.00);

36 (B) Within the second taxable year, an amount equal to

1 thirty-three percent (33%) of the amount of credit allowed; and

2 (C) Within the third taxable year, an amount equal to
3 sixty-seven percent (67%) of the credit allowed.

4 (4) Any refund required by subdivision (c)(2)(A) of this section
5 shall apply only to the credit given for the particular waste reduction,
6 reuse, or recycling equipment to which that subdivision applies.

7 (5) A qualified manufacturer of steel that is required to refund
8 part of a credit pursuant to this section shall no longer be eligible to
9 carry forward any amount of that credit which had not been used as of the
10 date the refund is required.

11 (6) A qualified manufacturer of steel aggrieved by a decision of
12 the Director of the Arkansas Department of Environmental Quality under this
13 section may appeal to the Arkansas Pollution Control and Ecology Commission
14 through administrative procedures adopted by the commission and to the courts
15 in the manner provided in Arkansas Code §§ 8-4-222 – 8-4-229.

16 (d) In the case of a qualified manufacturer of steel that is:

17 (1) A proprietorship, partnership, limited liability company, or
18 other business organization treated as a proprietorship or partnership for
19 tax purposes, the amount of the credit determined under this section for any
20 taxable year shall be apportioned to each proprietor, partner, member, or
21 other owner in proportion to the amount of income from the entity which the
22 proprietor, partner, member, or other owner is required to include in gross
23 income or as otherwise provided for in the applicable ownership or operating
24 agreements if at least one of the proprietor, partner, member or other owner
25 of the organization is a public retirement system of the State of Arkansas;

26 (2) A Subchapter S corporation, the amount of credit determined
27 shall be apportioned to each Subchapter S corporation shareholder in
28 proportion to the amount of income from the entity which the Subchapter S
29 corporation shareholder is required to include as gross income or as
30 otherwise provided for in the applicable articles of incorporation or bylaws
31 if at least one of the shareholders is a public retirement system of the
32 State of Arkansas; or

33 (3) An estate or trust:

34 (A) The amount of the credit determined for any taxable
35 year shall be apportioned between the estate or trust and the beneficiaries
36 on the basis of the income of the estate or trust allocable to each; and

1 (B) Any beneficiary to whom any amount has been
2 apportioned under this section shall be allowed, subject to the limitations
3 contained in this section, a credit under this section for that amount.

18 9. Other Incentive Programs.

19
20 9.1. Advantage Arkansas Program. The Sponsor may be eligible for a
21 job creation income tax credit provided pursuant to the Advantage Arkansas
22 Program. The Advantage Arkansas Program provides an income tax credit
23 against a portion of State income tax liabilities based upon a percentage of
24 the annual payroll paid to the new full time permanent employees hired as a
25 result of an approved project. To receive the income tax credit of the
26 Advantage Arkansas Program, the Sponsor must enter into a Financial Incentive
27 Agreement. The tier of the county in which the approved project is located
28 determines the qualifying payroll threshold, as well as the income tax
29 benefit calculation. Counties are segmented into four (4) tiers based on
30 poverty rate, population growth, per capita income, and unemployment rate.
31 Based on the location of the Project Site, the Sponsor may be entitled to an
32 income tax credit up to four percent (4%) of the total taxable wages paid to
33 new full time permanent employees hired after the date of the Financial
34 Incentive Agreement. The annual payroll thresholds of the new employees must
35 be met within twenty-four (24) months following the date the Financial
36 Incentive Agreement is signed by the Commission. Employees must be taxpayers

1 of the State to qualify for the credit. The income tax credit begins in the
2 year in which the new employees are hired and is earned each tax year for a
3 period of five (5) years. Any unused credits can be carried forward for nine
4 (9) years beyond the year in which they were earned. The Sponsor may apply
5 the credit to its State income tax liability, not to exceed fifty percent
6 (50%) of the total income tax liability for a reporting period. The income
7 tax credit provided by the Advantage Arkansas Program is also conditioned
8 upon the satisfaction of the requirements of the Consolidated Incentive Act.

18 (\$100,000.00); (b) execute the Advantage Arkansas Agreement within the
19 appropriate time as required by applicable law; and (c) submit a completed
20 application accompanied by a local endorsement resolution from the city,
21 county or both where the Project Site is located and which authorizes the
22 refund of its local taxes to the Sponsor. The refund shall not include the
23 portion of the sales tax dedicated to the Educational Adequacy Fund described
24 in A.C.A. § 19-5-1227 and the Conservation Tax Fund as described in A.C.A. §
25 19-6-484. These two (2) exceptions reduce the refund by one percent (1%).
26 Currently, the State sales tax rate is six percent (6%), and therefore, the
27 refund of State taxes shall be based upon five percent (5%) of the eligible
28 taxable purchases. The refund of local taxes shall be based on the sales tax
29 rate for the city and county where the Project Site is located. The refund
30 provided by the Tax Back Program is also conditioned upon the satisfaction of
31 the requirements of the Consolidated Incentive Act.

1 eligible equipment and installation costs and expenses. Eligibility for the
2 Recycling Equipment Tax Credit Program is determined by the Arkansas
3 Department of Environmental Quality. If the Sponsor otherwise qualifies for
4 the Recycling Equipment Tax Credit it may also qualify under the Recycling
5 Credit Legislation to extend the carry-forward of the income tax credit
6 pursuant to the Recycling Equipment Tax Credit Program from three (3) years
7 to fourteen (14) years for steel mills that newly invest at least Five
8 Hundred Million Dollars (\$500,000,000.00) and create at least three hundred

17 mills that newly invest at least Five Hundred Million Dollars
18 (\$500,000,000.00) and create at least three hundred (300) New Full Time

35 out-of-state suppliers, vendors, and customers for the purpose of marketing
36 the State as the right place for out-of-state suppliers, vendors, and

29 (\$1,000,000,000.00) and the Actual Project Capital Expenditures.

30
31 11.3. Repayment Calculation - Employment Target. If, at the expiration
32 of the Preliminary Period, and continuing through the Test Period, as
33 measured annually on the Test Date, the Sponsor has not achieved and

25 *be calculated by using the amount of compensation paid during months thirty-*
26 *one (31) through thirty-six (36) after the Closing Date to full-time Direct*
27 *Positions and Independent Direct Positions designated by the Sponsor and then*
28 *multiplied by two (2).*

29

31 *time after the expiration of the Preliminary Period, as measured annually on*

34 *Sponsor shall pay to the State an amount calculated as follows: (i) the total*

35 *Sponsor and the Announced Controlling Party shall not agree in writing to*
36 *assume all of the rights and obligations of the Sponsor pursuant to this*

1 *Agreement and all related agreements executed in connection with the Project,*
2 *the Sponsor shall, upon written notice by the Commission and the Authority,*
3 *cause the Announced Controlling Party to pay to the State prior to*
4 *consummation of the Change of Control Event an amount calculated as follows:*
5 *(i) the total amount disbursed by the State pursuant to the Grants; (ii)*

12 *failing to achieve and maintain the Employment Target or the Compensation*
13 *Target.*

14
15 *14.2. Assumption Subsequent to Investment Requirement Being Met. If a*
16 *Change of Control Event is announced by the Sponsor subsequent to the*
17 *Investment Requirement having been satisfied and the Announced Controlling*
18 *Party shall agree in writing to assume all of the rights and obligations of*
19 *the Sponsor pursuant to this Agreement and all related agreements executed in*
20 *connection with the Project, but the Commission and the Authority reasonably*
21 *determine that the Announced Controlling Party is unlikely to achieve and*
22 *maintain the Employment Target or the Compensation Target, the Sponsor shall,*
23 *upon written notice by the Commission and the Authority, cause the Announced*
24 *Controlling Party prior to consummation of the Change of Control Event to*
25 *fund an Escrow Account in an amount calculated as follows: the product of the*
26 *total amount disbursed by the State pursuant to the Grants divided by fifteen*
27 *(15) and then multiplied by the number of years remaining until the*
28 *expiration of the Test Period divided by two (2) with such years remaining*
29 *until the expiration of the Test Period to be no greater than fifteen (15).*
30 *In any year in which the Announced Controlling Party shall fail to achieve*
31 *and maintain the Employment Target or the Compensation Target, the Commission*
32 *and the Authority shall withdraw an amount from such Escrow Account equal to*
33 *the amount determined pursuant to the applicable Repayment Calculations for*
34 *that particular year. If the Announced Controlling Party maintains the*
35 *Employment Target and the Compensation Target for the three (3) consecutive*
36 *years following the later of the Change of Control Event and the end of the*

1 Preliminary Period, all amounts in the Escrow Account shall be released and
2 returned to the Announced Controlling Party. The rights of the State upon a
3 Change of Control Event will include, among other rights, the proportional
4 right to vote alongside all other Senior Term Lenders on matters related to
5 any Change of Control Event. The Commission and the Authority shall not have
6 the right to seek the establishment of the Escrow Account if a majority of
7 the Senior Term Lenders inclusive of the State but not including those
8 affiliated with the Sponsor or the Announced Controlling Party, commit in
9 writing to permit assumption of their respective debts by the Announced
10 Controlling Party on the same or substantially similar terms and conditions
11 as those in existence immediately prior to the execution of definitive
12 documents related to the Change of Control Event. A majority of the Senior
13 Term Lenders shall be determined by the amounts due by the Sponsor to each
14 such Senior Term Lender inclusive of the State but not including those
15 affiliated with the Sponsor or the Announced Controlling Party immediately
16 prior to the execution of definitive documents related to the Change of
17 Control Event.

18
19 14.3. Assumption Prior to Investment Requirement Being Met. If a
20 Change of Control Event is announced by the Sponsor prior to the Investment
21 Requirement having been met and the Announced Controlling Party shall agree
22 in writing to assume all of the rights and obligations of the Sponsor
23 pursuant to this Agreement and all related agreements executed in connection
24 with the Project, but the Commission and the Authority reasonably determines
25 that the Announced Controlling Party is unlikely to achieve and maintain the
26 Employment Target or the Compensation Target, the Sponsor shall, upon written
27 notice by the Commission and the Authority, cause the Announced Controlling
28 Party, prior to consummation of the Change of Control Event, to fund the
29 Escrow Account in an amount calculated as follows: the product of the total
30 amount disbursed by the State pursuant to the Grants divided by fifteen (15)
31 and then multiplied by the number of years remaining until the expiration of
32 the Test Period with such years remaining until the expiration of the Test
33 Period to be no greater than fifteen (15). In any year during the Test
34 Period in which the Announced Controlling Party shall fail to achieve and
35 maintain the Employment Target or the Compensation Target, the Commission and
36 the Authority shall withdraw an amount from the Escrow Account equal to the

1 amount determined pursuant to the applicable Repayment Calculations for that
2 particular year. If the Announced Controlling Party shall achieve and
3 maintain the Employment Target and the Compensation Target for the six (6)
4 consecutive years following the later of the end of the Preliminary Period
5 and the establishment of the Escrow Account, all amounts in the Escrow
6 Account shall be released and returned to the Announced Controlling Party.
7 If the Announced Controlling Party shall fail to achieve and maintain the
8 Employment Target and the Compensation Target for the three (3) consecutive
9 years following the later of the end of the Preliminary Period and the
10 establishment of the Escrow Account, all amounts in the Escrow Account shall
11 be released to the State and shall become the property of the State and
12 neither the State, the Commission, nor the Authority shall have any
13 obligation to make any of such funds available to the Announced Controlling
14 Party or any other Person. The Commission and the Authority shall have the
15 right to seek the establishment of the Escrow Account whether or not a
16 majority of the Senior Term Lenders commit in writing to permit assumption of
17 their respective debts by the Announced Controlling Party on the same or
18 substantially similar terms as those in existence immediately prior to the
19 execution of definitive documents related to the Change of Control Event.

20
21 14.4. Assumption Prior to End of Availability of Economic Incentives.

22 If a Change of Control Event is announced by the Sponsor, any economic
23 incentives, including proceeds from the Amendment 82 Financing, set forth in
24 this Agreement that have not been previously made available to the Sponsor
25 prior to the announcement of the Change of Control Event shall no longer be
26 available to either the Sponsor or the Announced Controlling Party. If the
27 announced Change of Control Event shall not be consummated and no more than
28 nine (9) months have elapsed since the Change of Control Event was first
29 announced and the Sponsor provides written notice that the announced Change
30 of Control Event shall not be consummated, any economic incentives, including
31 proceeds from the Amendment 82 Financing, set forth in this Agreement that
32 have not been previously made available to the Sponsor shall be reinstated
33 and shall be available to the Sponsor as set forth in this Agreement, to the
34 extent consistent with applicable law.

35
36 15. Confidentiality and Non-Disclosure. The Parties recognize that

1 certain information and records provided by the Sponsor to the Commission or
2 the Authority include trade secrets or other information which, if disclosed,
3 would give advantage to competitors of the Sponsor, or include records
4 related to the Sponsor's planning, site location, expansion, operations,
5 product development or marketing (collectively, "Confidential Business
6 Information"). Such records are generally exempt from public disclosure
7 under the terms of the Arkansas Freedom of Information Act, A.C.A. § 25-19-
8 101 et seq. Neither the Parties to this Agreement nor any Related Entity,
9 affiliate, or representative of any Party, shall make any disclosure of
10 Confidential Business Information without the prior written consent of any
11 other Party; provided however, that a Party may make such a disclosure
12 without the consent of any other Party if the disclosure is: (a) compelled by
13 legal, accounting, or regulatory requirements applicable to and beyond the
14 reasonable control of the Party; (b) necessary to proceed with the intentions
15 and agreements contained in this Agreement as they specifically relate to any
16 Related Entity, affiliate, or representative of any Party; (c) necessary to
17 obtain legislative approval of the undertakings set forth in this Agreement;
18 or (d) required under applicable law binding upon the disclosing Party. The
19 Party making a disclosure described in (c) of this Section 15 shall give
20 prior written notice of the proposed disclosure to the other Party. The
21 Party making a disclosure described in (a) or (d) of this Section 15 shall
22 give prior written notice of the proposed disclosure to the other Party if
23 the disclosing Party can do so and still comply with the requirement or law
24 compelling the disclosure; otherwise the disclosing Party shall give written
25 notice contemporaneously with or as soon as reasonably practicable following
26 the disclosure.

27
28 16. Incentives Not Accepted. To the extent that the Sponsor shall not
29 accept for whatever reason any portion of the funds or economic incentives
30 set forth in this Agreement, neither the State, the Commission, nor the
31 Authority shall have any obligation to replace the value of the funds or
32 economic incentives not accepted, inclusive of the value of any matching
33 funds, with other funds or economic incentives.

34
35 17. Public Reporting Requirements. The Sponsor acknowledges and
36 agrees to comply with the public reporting, monitoring, auditing, and other

1 reporting requirements of the Act set forth in A.C.A. §§ 15-4-3206 (2011

14 SECTION 9. EMERGENCY CLAUSE. It is found and determined by the
15 General Assembly of the State of Arkansas that unemployment levels within
16 this state are unacceptably high; that additional incentives are needed to
17 encourage the location and expansion of manufacturing facilities within this
18 state and to provide additional job opportunities for our citizens; that this
19 act is designed to provide the incentives needed to encourage certain
20 manufacturers to locate their facilities within this state thereby creating
21 additional job opportunities for our citizens; that the development and
22 completion of a mini-mill steel manufacturing facility by Big River Steel,
23 LLC is important to the economic health of the state and its citizens; and
24 that this act is immediately necessary because any delay in the effective
25 date of this act will delay completion of the mini-mill steel manufacturing
26 facility by Big River Steel, LLC and the creation of new jobs in the state.
27 Therefore, an emergency is declared to exist, and this act being immediately
28 necessary for the preservation of the public peace, health, and safety shall
29 become effective on:

30 (1) The date of its approval by the Governor;

31 (2) If the bill is neither approved nor vetoed by the Governor,
32 the expiration of the period of time during which the Governor may veto the
33 bill; or

34 (3) If the bill is vetoed by the Governor and the veto is
35 overridden, the date the last house overrides the veto.
