2 90th General Assembly
3 Regular Session, 2015

HR 1037

4
5 By: Representative C. Fite
6

7 **HOUSE RESOLUTION**

8 TO RECOGNIZE THE MONTH OF MARCH AS NATIONAL
9 COLORECTAL CANCER AWARENESS MONTH.
10

11 **Subtitle**

12
13 TO RECOGNIZE THE MONTH OF MARCH AS
14 NATIONAL COLORECTAL CANCER AWARENESS
15 MONTH.
16
17

18 WHEREAS, colorectal cancer is the second leading cause of cancer deaths
19 in the United States with more than 150,000 Americans diagnosed and more than
20 50,000 American deaths each year; and
21

22 WHEREAS, colorectal cancer affects both men and women of all racial and
23 ethnic groups and is most often found in people who are 50 years of age or
24 older; and
25

26 WHEREAS, colorectal cancer is a disease that affects people whether
27 they are male or female, overweight or thin, young or old; and
28

29 WHEREAS, colorectal cancer may begin as non-cancerous polyps that can
30 become cancerous, and many precancerous polyps and colorectal cancers do not
31 exhibit symptoms, therefore intensifying the importance of a screening test
32 for colorectal cancer; and
33

34 WHEREAS, colorectal cancer screening tests can find precancerous polyps
35 so they can be removed before they turn into cancer, and screening tests can
36 also detect the presence of colorectal cancer early enough for treatment to

1 lead to a cure; and

2
3 WHEREAS, 9 out of 10 colorectal cancers could be prevented or
4 successfully treated with regular colorectal cancer screenings; and

5
6 WHEREAS, the United States Preventive Services Task Force recommends
7 regular screening for colorectal cancer for all people who are between 50 and
8 75 years of age, and for some people who are older than 75 years of age; and

9
10 WHEREAS, the American College of Gastroenterology recommends that
11 African American patients begin screening for colorectal cancer at age 45;
12 and

13
14 WHEREAS, when colorectal cancer is detected and treated early, the
15 five-year survival rate is over 90%; and

16
17 WHEREAS, increased public awareness of colorectal cancer and colorectal
18 cancer screening saves lives; and

19
20 WHEREAS, March is National Colorectal Cancer Awareness Month,

21
22 NOW THEREFORE,

23 BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE NINETIETH GENERAL
24 ASSEMBLY OF THE STATE OF ARKANSAS:

25
26 THAT the House of Representatives of the Ninetieth General Assembly of
27 the State of Arkansas acknowledges the profound impact of colorectal cancer
28 on the lives of Arkansans, supports the medical belief that colorectal cancer
29 screening tests can prevent and cure this disease, urges the citizens of the
30 state to obtain colorectal screenings at 50 years of age, 45 years of age for
31 African Americans, and recognizes the month of March as National Colorectal
32 Cancer Awareness Month.
