### Subtitle

15 TO REQUIRE TRANSPARENCY, REPORTING, AND  
16 DISCLOSURE TO THE PUBLIC OF INFORMATION  
17 CONCERNING CERTAIN CONSTRUCTION PROJECTS  
18 AS ESTABLISHED BY LAW.  
19  
20

21 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
22

23 *SECTION 1. DO NOT CODIFY. Legislative Findings.*

24 *The General Assembly finds that:*

25 *(1) The residents of Arkansas depend on the state's highway*  
26 *system and the efficient completion of public road construction projects by*  
27 *the Arkansas State Highway and Transportation Department;*

28 *(2) The department currently provides information on the*  
29 *progress of certain public road construction projects on its website;*

30 *(3) The motoring public expects the department to communicate*  
31 *the progress of major public road construction projects which tend to take*  
32 *more time to complete; and*

33 *(4) Construction project information signs will alleviate the*  
34 *stress caused by major public road construction projects by providing*  
35 *progress updates to the motoring public.*

1           SECTION 2. Arkansas Code Title 27, Chapter 67, Subchapter 2, is  
2 amended to add an additional section to read as follows:

3           27-67-226. Construction project information signs.

4           (a) As used in this section:

5                   (1) "Construction project information sign" means temporary  
6 signs placed at the beginning and end of a public road construction project  
7 informing motorists of the:

8                           (A) Public road construction project start date and  
9 estimated date of completion; and

10                           (B) Job number assigned to the public road construction  
11 project; and

12                   (2) "Public road construction project" means the construction,  
13 restoration, reconstruction, renovation, or repair of a road, highway,  
14 bridge, overpass, interchange, or right-of-way in which the construction,  
15 restoration, reconstruction, renovation, or repair is to be performed or is  
16 initiated by the Arkansas State Highway and Transportation Department or the  
17 State Highway Commission.

18           (b) The department shall erect appropriate construction project  
19 information signs:

20                   (1) At least thirty (30) days before the first day of the public  
21 road construction project start date;

22                   (2) For each public road construction project of ten million  
23 dollars (\$10,000,000) or more; and

24                   (3) In accordance with the rules governing informational signs  
25 placed on the highway by the department.

26           (c) The department, using the job number listed on the construction  
27 project information sign erected under subsection (b) of this section shall  
28 post on the department's website specific public road construction project  
29 details, including without limitation the:

30                           (1) Start date and estimated date of completion;

31                           (2) Total cost of the contract awarded;

32                           (3) Name of each contractor performing the public road  
33 construction project; and

34                           (4) The number of days the contractor is ahead of or behind  
35 schedule.

36           (d) The department may promulgate rules for the administration and

1 implementation of this section.
