PROCEDURES - VARIOUS TEMPORARY APPROPRIATION FOR STATE AGENCIES AND INSTITUTIONS. (i) In the event that sufficient appropriation is not provided by the General Assembly for any state agency or institution, an agency or institution may request a transfer of appropriation, as provided in the Various Temporary Appropriation for State Agencies and Institutions Appropriation Section of this Act, from the Chief Fiscal Officer of the State, stating clearly the amount requested, purpose and any additional information requested by the Chief Fiscal Officer of the State.

(ii) After reviewing a request the Chief Fiscal Officer of the State may deny, modify or approve the agencies or institutions request based on the estimated amount of appropriation needed and currently available, purpose, estimated funding available and preferred spending priority. Upon approval or modification of a request by the Chief Fiscal Officer of the State and after meeting the requirements of subsection (iii) herein, the Department of Finance and Administration shall establish the transfer of appropriation on the books of the Department of Finance and Administration and the State Auditor, in compliance with the applicable classifications of appropriations as enumerated in Arkansas Code 19-4-521 through 19-4-525.

(iii) Any request approved as authorized in subsection (ii) herein, including requests that establish a new commitment item or new appropriation shall require prior approval by the Arkansas Legislative Council or if meeting in Regular or Fiscal Session the Joint Budget Committee.

(iv) Any appropriation approved as authorized in this Section shall not be carried forward to the next fiscal year and shall be identified as a change level increase by the state agency or institution, if requested.

(v) Determining the maximum amount of appropriation for a state agency or institution each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for a state agency or institution. Further, the General Assembly has determined that a state agency or institution may operate more efficiently if some flexibility is provided to the state agency or institution authorizing broad powers under this section. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this

1 section. If the requirement or approval by the Legislative Council or Joint
2 Budget Committee is ruled unconstitutional by a court of competent
3 jurisdiction, this entire section is void.

4 The provisions of this section shall be in effect only from July 1, 2019

5 SECTION 78. EMERGENCY CLAUSE. It is found and determined by the
6 General Assembly, that the Constitution of the State of Arkansas prohibits
7 the appropriation of funds for more than a one (1) year period; that the
8 effectiveness of this Act on July 1, 2019 is essential to the operation of
9 the agency for which the appropriations in this Act are provided, and that in
10 the event of an extension of the legislative session, the delay in the
11 effective date of this Act beyond July 1, 2019 could work irreparable harm
12 upon the proper administration and provision of essential governmental
13 programs. Therefore, an emergency is hereby declared to exist and this Act
14 being necessary for the immediate preservation of the public peace, health
15 and safety shall be in full force and effect from and after July 1, 2019.
