25 agencies or persons having experience in foresting and reclaiming open-cut
26 mined lands with forest or agronomic or horticultural species, based upon
27 scientific knowledge from research into reclaiming and utilizing forest and
28 agronomic species on open-cut mined lands.

29
30 SECTION 3010. Arkansas Code § 15-57-315(9)(A)(ii), concerning the
31 duties of an operator in an open-cut mine, is amended to read as follows:

32 (ii) Where natural weathering and leaching of
33 affected land fails to support plant growth at the end of the reclamation
34 period as required under § 15-57-311(d), the ~~department~~ division, at the
35 request of the operator, may approve a permit extension from year-to-year
36 from the termination of the permit on the permitted area.

2 SECTION 3011. Arkansas Code § 15-57-315(9)(B), concerning the duties
3 of an operator in an open-cut mine, is amended to read as follows:

15 of this subchapter;

16 (11) All mine spoil generated by the operator shall be disposed
17 of in a manner approved by the ~~department~~ division and designed to control
18 siltation, erosion, or other damage to streams and natural watercourses, as

27 leaving the property.

28
29 SECTION 3014. Arkansas Code § 15-57-316 is amended to read as follows:
30 15-57-316. Bond of operator.

31 (a)(1)(A) Any bond provided in this subchapter to be filed with the
32 ~~Arkansas Department~~ Division of Environmental Quality by the operator shall
33 be in such form as the ~~department~~ division shall prescribe, payable to the
34 State of Arkansas through the ~~department~~ division, conditioned that the
35 operator shall faithfully perform all requirements of this subchapter and
36 comply with all rules, regulations, and orders made in accordance with the

1 provisions of this subchapter.

2 (B) The bond shall be signed by the operator and a good
3 and sufficient corporate surety authorized to do business in the United
4 States.

5 (2) The penalty of the bond shall be in an amount equal to the
6 estimated cost of reclamation, as required in § 15-57-311(d).

7 (3)(A) In the event that the ~~department~~ division finds the cost
8 of reclamation to be an underestimate, the ~~department~~ division shall make use
9 of available expertise to establish the estimated cost of reclamation, which
10 shall be the amount of the bond.

11 (B) In the event of a disagreement concerning the estimate
12 of the proper amount of the bond, the ~~department~~ division may retain
13 independent expertise as is necessary to establish the amount of the bond.

14 (4) The Arkansas Pollution Control and Ecology Commission shall
15 promulgate regulations concerning bonds and substituted security which will
16 attempt to ensure that small operators are not precluded from development of
17 mineral resources as a result of high bond amounts, but which will provide
18 reasonable security.

19 (b)(1) The ~~department~~ division may accept cash, securities, or other
20 collateral, including, but not limited to, letters of credit and mortgages on
21 real property provided by the operator in an amount equal to that of the
22 required bond as provided in subsection (a) of this section.

24 from time to time as provided in this subchapter.

25 (3) The bond or substituted security shall be in effect and
26 subject to forfeiture in accordance with this subchapter from and after the
27 time that the operator has affected land in the process of open-cut mining or
28 after the time a permit is granted by the ~~department~~ division until the
29 affected area has been reclaimed, approved, and released.

30 (c)(1) Any bond or substituted security shall not be cancelled by the
31 surety unless it has given no less than ninety (90) days' notice of the
32 cancellation to the ~~department~~ division.

33 (2) In no event shall a bond be cancelled on an area that at the
34 time of cancellation has become affected land under the provisions of this
35 subchapter.

36 (d)(1) If the license to do business of any surety upon a bond or

1 substituted security filed with the ~~department~~ division pursuant to this
2 subchapter shall be suspended or revoked, the operator, within thirty (30)
3 days after receiving notice of the revocation, shall substitute for the
4 surety a licensed corporate surety.

5 (2) Upon the failure of the operator to make substitution of the
6 surety, the ~~department~~ division shall suspend the permit of the operator
7 until the substitution is made.

8 (e)(1) The ~~department~~ division shall give written notice to the
9 operator of any violation of this subchapter or noncompliance with any of the
10 rules, regulations, or orders promulgated under this subchapter.

11 (2) If corrective measures determined by the ~~department~~
12 division, including, but not limited to, increase of the bond or substituted
13 security, are not commenced or agreed to by the operator within a reasonable
14 period of time to be determined by the ~~department~~ division, the ~~department~~
15 division may terminate the permit of the operator and forfeit the bond or
16 substituted security.

17 (3) If a permit has not been issued but a bond has been posted
18 during the application process and this process will not be completed and
19 there is affected land at the site, the ~~department~~ division may forfeit the
20 bond or substituted security as provided in § 15-57-317.

21 (f) The ~~department~~ division may reclaim any affected land for which a
22 bond has been forfeited.

23 (g)(1) Whenever an operator shall have completed all requirements
24 under the provisions of this subchapter as to any affected land, it shall so
25 notify the ~~department~~ division.

26 (2) If the ~~department~~ division determines that the operator has
27 completed reclamation requirements and achieved results appropriate to the
28 use for which the affected land was reclaimed, the ~~department~~ division shall
29 release the operator from further obligations regarding the affected land and
30 the penalty of the bond or substituted security shall be reduced accordingly.

31 (h)(1) Upon partial completion of reclamation, the operator may submit
32 a written request to the ~~department~~ division for the purpose of
33 proportionately reducing the amount of the bond or substituted security upon
34 affected lands.

35 (2) If the ~~department~~ division determines that proper
36 reclamation has been accomplished under the provisions of this subchapter on

1 an area less than the total area of the affected area, the ~~department~~
2 division shall proportionately reduce the amount of the bond or substituted
3 security.

4 (i) No operator shall be eligible to receive a new or renewed permit
5 who has had a permit revoked, bond forfeited, or who has outstanding
6 substantial unmitigated violations of this subchapter, including failure to
7 reclaim, unless the ~~department~~ division finds upon review a demonstrable
8 change of circumstances justifying an exception to these prohibitions.

9 (j) Liability under the bond or substituted security shall be for the
10 duration of the open-cut mining operation and for that period required to
11 establish successful reclamation of the affected area.

12 (k) Nothing contained herein shall be deemed to preclude the right of
13 the ~~department~~ division to recover the actual cost of reclamation over and
14 above the amount of bond.

15
16 SECTION 3015. Arkansas Code § 15-57-317 is amended to read as follows:

(a) Quarry sites in which operations are only occasionally conducted and in which the operator anticipates future quarry activity can be shut down on a temporary basis. If so, the operator will file a notification of temporarily closed quarry with the ~~Arkansas Department~~ Division of Environmental Quality, within thirty (30) days after an operation is closed. Full reclamation will not be required until no further additional quarrying is anticipated or the quarry is exhausted. All operational safeguards, as described in this subchapter, will remain in place as required until the quarry is exhausted. The notification of temporarily closed quarry will contain the following:

SECTION 3028. Arkansas Code § 15-57-405(b) and (c), concerning the notification of a temporarily closed quarry, are amended to read as follows:

(b) When an operator closes a quarry and fails to file a notification of temporarily closed quarry with the ~~department~~ division within sixty (60) days, the ~~department~~ division may levy a fine of not more than one hundred dollars (\$100) per day by citation until said notification is received. The maximum fine is five thousand dollars (\$5,000).

34 SECTION 6263. EMERGENCY CLAUSE.

35 (a) It is found and determined by the General Assembly of the State of
36 Arkansas that the Transformation and Efficiencies Act of 2019 revises the

1 duties of state entities, creates new departments of the state, and creates
2 new positions in the state; that these revisions are extensive and will
3 require new policies and procedures to be developed to implement the
4 transition; that a team of existing state employees will be needed to assist
5 in the implementation of the Transformation and Efficiencies Act of 2019;
6 that this transition shall occur on July 1, 2019, and policies and procedures
7 will be required to be developed before that date; that a new class code,
8 grade, and line item maximum for each cabinet-level department secretary must
9 be submitted prior to July 1, 2019 for legislative approval before the
10 implementation of this act; and that Sections 6261 and 6262 of this act are
11 immediately necessary because the transition to the new government structure
12 will require the dedicated efforts of state employees currently performing
13 other duties prior to the effective date of the remaining sections of the act
14 on July 1, 2019. Therefore, an emergency is declared to exist, and Sections
15 6261 and 6262 of this act are immediately necessary for the preservation of
16 the public peace, health, and safety shall become effective on:

17 (1) The date of its approval by the Governor;

18 (2) If the bill is neither approved nor vetoed by the Governor,
19 the expiration of the period of time during which the Governor may veto the
20 bill; or

21 (3) If the bill is vetoed by the Governor and the veto is
22 overridden, the date the last house overrides the veto.

23 (b) It is found and determined by the General Assembly of the State of
24 Arkansas that this act revises the duties of certain state entities; that
25 this act establishes new departments of the state; that these revisions
26 impact the expenses and operations of state government; and that Sections 1
27 through 6260 of this act should become effective at the beginning of the
28 fiscal year to allow for implementation of the new provisions at the
29 beginning of the fiscal year. Therefore, an emergency is declared to exist,
30 and Sections 1 through 6260 of this act being necessary for the preservation
31 of the public peace, health, and safety shall become effective on July 1,
32 2019.
