18 requires a director, commissioner, or other executive head of a state entity

21 (1)(A) When working on behalf of a board or commission,

23 cabinet-level department secretary.

24 (B) Consultation under subdivision (f)(1)(A) of this

28 recommendations, advice, and consent of the secretary of the cabinet-level
29 department.

30
31 25-43-109. Correction of technical errors related to transformation of
32 state government.

33 (a)(1) The General Assembly finds that:

34 (A) The transformation of the structure of state
35 government under the Transformation and Efficiencies Act of 2019 involves
36 changes to thousands of sections of the Arkansas Code concerning state

1 entities;

2 (B) Many of the changes required are highly technical and
3 require careful study of the purpose and context of each Arkansas Code
4 section, with the need for some of the changes not becoming apparent until
5 the implementation of the transformation of state government under this
6 chapter;

7 (C) With a project as large and comprehensive as the
8 transformation of state government under this chapter, it is inevitable that
9 certain sections of the Arkansas Code requiring technical changes to follow
10 the intent of this chapter will be either omitted or amended in a manner that
11 is later found to be erroneous and unintentional; and

12 (D) If the correct statutory change to remedy an
13 unintentional error is readily apparent and consistent with the intent of
14 this chapter, the unintentional error should be corrected as part of the
15 codification process due to the technical nature of the unintentional error.

16 (2) It is the intent of the General Assembly to empower the
17 Arkansas Code Revision Commission to correct technical errors identified in
18 the Arkansas Code during the transformation of the structure of state
19 government under this chapter to allow this chapter to be fully implemented.

20 (b)(1)(A) Any person or state entity identifying one (1) or more
21 sections of the Arkansas Code that require revision to implement the intent
22 of this chapter may notify the Director of the Bureau of Legislative Research
23 or his or her designee of the section or sections at issue.

24 (B) If the Bureau of Legislative Research, while assisting
25 the commission with the commission's powers and duties, becomes aware of one
26 (1) or more sections of the Arkansas Code that require revision to implement
27 the intent of this chapter for which it appears that the bureau and the
28 commission do not have authority to make the necessary revision under § 1-2-
29 303(d), the bureau may notify the commission of the section or sections at
30 issue.

31 (2) If the commission determines that the revision necessary to
32 one (1) or more sections of the Arkansas Code under subdivision (b)(1) of
33 this section is technical in nature, germane to the intent of this chapter,
34 and consistent with this chapter's policy and purposes, the commission may
35 make the revision to the Arkansas Code.

36 (3) The commission shall notify the publisher of the Arkansas

1 Code of a revision to the Arkansas Code under subdivision (b)(2) of this
2 section as soon as possible so that the revision may be reflected in the
3 official hard copy version of the Arkansas Code and official electronic
4 version of the Arkansas Code.

5 (4)(A) Except as provided in subdivision (b)(4)(B) of this
6 section, when the commission approves a revision to the Arkansas Code under
7 subdivision (b)(2) of this section, the commission shall notify the following
8 of the revision within thirty (30) days:

9 (i) The Speaker of the House of Representatives;

10 (ii) The President Pro Tempore of the Senate; and

11 (iii) The Legislative Council.

12 (B) The commission is not required to make a notification
13 under subdivision (b)(4)(A) of this section if the revision is made under §
14 1-2-303(d).

15 (c) The authority granted to the commission under this section is
16 supplemental to the commission's authority under § 1-2-303.

17
18 25-43-110. Funds and personnel transferred.

19 (a) A fund or fund account name that due to the implementation of the
20 Transformation and Efficiencies Act of 2019 has not been revised in an
21 appropriation or in the Arkansas Code to the same fund or fund account name
22 enacted by the Ninety-Second General Assembly, shall be payable from the
23 appropriation enacted with the fund or fund account name as originally
24 enacted by the Ninety-Second General Assembly.

25 (b) Unless otherwise provided by law, when all or part of a state
26 entity is subject to a cabinet-level department transfer, the state entity's
27 authorized classifications, employees, property, unexpended balances of
28 appropriations, allocations, and funds are transferred to the cabinet-level
29 department as authorized under this chapter.

30 (c)(1) A state entity appropriation transferred from a paying account
31 or fund not established in a cabinet-level department, due to the
32 implementation of the Transformation and Efficiencies Act of 2019, is payable
33 and appropriated from a cash fund established in the State Treasury in the
34 same amount and for the same purpose as that transferred state entity.

35 (2) At no time may funding or cash fund appropriation be
36 established under subsection (c) of this section that is not authorized to be

1 transferred or in a greater amount than is transferred.

2 (d)(1) Any classification title for a state entity that is subject to
3 a cabinet-level department transfer under this chapter may be revised as
4 determined appropriate by the Office of Personnel Management to reference the
5 appropriate state entity.

6 (2) The authority under subsection (d) of this section does not
7 allow for revisions to:

8 (A) A pay grade;

9 (B) A line item;

10 (C) The number of authorized classifications; or

11 (D) A job duty.

12
13 25-43-111. State entity subject to Arkansas Constitution, Amendment
14 33.

15 (a) Notwithstanding any provision of the Transformation and
16 Efficiencies Act of 2019, if a state entity subject to a cabinet-level
17 department transfer under this chapter is subject to Arkansas Constitution,
18 Amendment 33:

19 (1) The state entity subject to Arkansas Constitution, Amendment
20 33, and the institutions under its authority shall be considered to be
21 affiliated with the cabinet-level department at issue; and

22 (2) The state entity subject to Arkansas Constitution, Amendment
23 33, shall perform all functions with respect to the management and control of
24 the state entity and the institutions under its authority as contemplated by
25 Arkansas Constitution, Amendment 33.

26 (b) The Transformation and Efficiencies Act of 2019 shall not abridge,
27 diminish, or curtail, in any respect, the authority or responsibilities
28 vested in a state entity that is subject to Arkansas Constitution, Amendment
29 33, and affiliated with a cabinet-level department under the Transformation
30 and Efficiencies Act of 2019.

31
32 SECTION 3. Arkansas Code Title 25, Chapter 43, is amended to add an
33 additional subchapter to read as follows:

27 SECTION 2436. Arkansas Code § 8-1-107 is amended to read as follows:

28 8-1-107. Inspections – Definitions – Investigations – Inspection
29 warrant – Exceptions – Penalties.

30 (a) General. Whenever it shall be necessary for the purpose of
31 implementing or monitoring the enforcement of any law charged to the
32 authority of the ~~Arkansas Department~~ Division of Environmental Quality, any
33 authorized employee or agent of the ~~department~~ division may enter upon any
34 public or private property for the purpose of obtaining information or
35 conducting investigations or inspections, subject to the following
36 provisions.

1 (b) Definitions. As used in this section, the following terms shall
2 have these ascribed meanings:

3 (1) "Administrative inspections" means investigation by
4 ~~department~~ division personnel at facilities operating within the ~~department's~~
5 division's apparent regulatory jurisdiction;

6 (2) "Facility" means the public or private area, premises,
7 curtilage, building, or conveyance described as the subject of administrative
8 inspection;

9 (3) "Pervasively regulated facility or activity" means the
10 activity or facility that is the location of activity authorized by the
11 ~~department~~ division through a permit, license, certification, or operational
12 status approval; and

13 (4)(A) "Probable cause" means showing that an administrative
14 search limited in scope is necessary to ensure compliance with or enforcement
15 of laws, regulations, or orders charged to the ~~department~~ division for
16 implementation.

17 (B) For the purpose of conducting administrative
18 inspections or applying for administrative warrants, probable cause may be
19 provided to the ~~department~~ division through complaints or other means that
20 reasonably justify a limited and controlled administrative inspection.

21 (c) Administrative Inspections.

22 (1)(A) Whenever the ~~department~~ division obtains information that
23 supports reasonable cause to believe that a violation of any law within its
24 regulatory authority is being or has been violated, or that unauthorized
25 regulated conduct is occurring or has occurred, ~~department~~ division personnel
26 or its agents may demand entry onto any property, public or private, to
27 inspect any facility.

28 (B) The ~~department's~~ division's investigation or
29 inspection shall be limited to that necessary to confirm or deny the cause
30 which prompted the investigation or inspection, and shall be conducted during
31 daylight, during regular business hours, or, under emergency or extraordinary
32 circumstances, at a time necessary to observe the suspected violation or
33 unauthorized conduct.

34 (C) Except under emergency circumstances, the ~~department~~
35 division shall inform such facility's owner or agent of all information which
36 forms the basis of its probable cause at the time of the inspection.

1 (2) Nothing in this subsection shall be construed as requiring
2 the ~~department~~ division to forfeit the element of surprise in its inspection
3 efforts.

4 (3) Also, nothing in this section shall be construed as limiting
5 the frequency of the periodic or random inspections of pervasively regulated
6 facilities or activities.

7 (4) For the purpose of this section, a rebuttable presumption
8 concerning the jurisdiction of the ~~department's~~ division's regulatory
9 authority is established as it regards the ~~department's~~ division's authority
10 to inspect any facility.

11 (d) Administrative Inspection Warrants. If consent to inspect is
12 denied, the ~~department~~ division may obtain an administrative inspection
13 warrant from a judicial officer. Issuance and execution of administrative
14 inspection warrants shall be as follows:

15 (1) Any judicial officer otherwise authorized to issue search
16 warrants within his or her jurisdiction may, upon proper oath or affirmation
17 showing probable cause as defined by this section, issue warrants for the
18 purpose of conducting administrative inspections authorized by any law or
19 regulation administered by the ~~department~~ division;

20 (2) A warrant shall issue only upon an affidavit of a ~~department~~
21 division official, employee, or agent having knowledge of the facts alleged,
22 sworn to before the judge or magistrate and establishing the grounds for
23 issuing the warrant. If the judge or magistrate is satisfied that grounds for
24 the application exist or that there is probable cause to believe they exist,
25 he or she shall issue a warrant identifying the facility to be inspected, and
26 the purpose of the inspection. The warrant shall:

27 (A) State the grounds for its issuance and the name of
28 each person whose affidavit has been taken in support thereof;

29 (B) Be directed to a ~~department~~ division officer or
30 employee;

31 (C) Command the person to whom it is directed to inspect
32 the area, premises, building, or conveyance identified for the purpose
33 specified;

34 (D) Specifically identify any documents or samples to be
35 gathered during the inspection;

36 (E) Direct that it be served during normal business hours

1 unless emergency or extraordinary circumstances compel otherwise; and

2 (F) Designate the judge or magistrate to whom it shall be
3 returned;

4 (3) If appropriate, the warrant may authorize the review and
5 copying of documents which may be relevant to the purpose of the inspection.
6 If documents must be seized for the purpose of copying, the person serving
7 the warrant shall prepare an inventory of documents taken. The inventory
8 shall be made in the presence of the person executing the warrant and of the
9 person from whose possession or facility the documents were taken, if
10 present, or in the presence of at least one (1) credible person other than
11 the person executing the warrant. A copy of the inventory shall be delivered
12 to the person from whom or from whose facility the documents were taken. The
13 seized documents shall be copied as soon as feasible under circumstances
14 preserving their authenticity, then returned to the person from whom the
15 documents were taken;

16 (4) The warrant may authorize the taking of samples of materials
17 generated, stored, or treated at the facility, or of the water, air, or soils
18 within the facility's control or that may have been affected by the
19 facility's operations. The person executing the warrant shall prepare an
20 inventory of all samples taken. In any inspection conducted pursuant to an
21 administrative warrant in which such samples are taken, the ~~department~~
22 division shall make split samples available to the person whose facility is
23 being inspected;

24 (5) A warrant issued pursuant to this section must be executed
25 and returned within ten (10) days of its date unless, upon a showing of a
26 need for additional time, the court orders otherwise. The return of the
27 warrant shall be made promptly, accompanied by a written inventory of any
28 documents or samples taken;

29 (6) The judge or magistrate who has issued a warrant shall
30 attach thereto a copy of the return and all papers returnable in connection
31 therewith and file them with the clerk of the circuit court for the judicial
32 district in which the inspection was made;

33 (7) This subsection does not prevent the inspection without a
34 warrant of books and records pursuant to an administrative subpoena issued in
35 accordance with duly adopted administrative procedures; and

36 (8) A copy of the warrant and all supporting affidavits shall be

1 provided to the person served, or left at the entry of the facility
2 inspected.

3 (e) Administrative Inspection Warrants – Exceptions. Notwithstanding
4 the previous subsection, an administrative warrant shall not be required for
5 any inspection, including the review and copying of documents and taking of
6 samples, under the following circumstances:

7 (1) For pervasively regulated facilities or activities as
8 defined by this section whose permit, license, certification, or operational
9 approval from the ~~department~~ division provides notice that the ~~department~~
10 division may inspect regulated activities to assure compliance. If the
11 ~~department~~ division has reason to believe that a violation of any law has or
12 is occurring, the basis for such belief shall be communicated at the time of
13 the inspection;

14 (2) If the owner, operator, or agent in charge of the facility
15 consents;

16 (3) In situations presenting imminent danger to public health
17 and safety or the environment;

18 (4) In situations involving inspection of conveyances, if there
19 is reasonable cause to believe that the mobility of the conveyance makes it
20 impracticable to obtain a warrant;

21 (5) In any other exception or emergency circumstance when time
22 or opportunity to apply for a warrant is lacking;

23 (6) In situations involving conditions that may be observed in
24 an open field, from an area practically open to public access, or in plain
25 view; or

26 (7) In all other situations in which a warrant is not
27 constitutionally required.

28 (f) Penalties. Any willful and unjustified refusal of right of entry
29 and inspection to ~~department~~ division personnel as set out in this section
30 shall constitute a misdemeanor subject to a fine of up to twenty-five
31 thousand dollars (\$25,000) or civil penalties up to twenty-five thousand
32 dollars (\$25,000).

31 (a) First class mail; or

32 (b) Email.

33 (e)(1)(A) Whenever the ~~department~~ division proposes to grant or deny

28 accepting or rejecting the substance of the comment in the ~~department's~~
29 division's permitting decision.

30 (ii) For the purposes of this section, response to
31 comments by the ~~department~~ division should serve the roles of both developing
32 the record for possible judicial review of an individual permitting action
33 and as a record for the public's review of the ~~department's~~ division's
34 technical and legal interpretations on long-range regulatory issues.

35 (iii) Nothing in this section, however, shall be
36 construed as limiting the ~~department's~~ division's authority to raise all

1 relevant issues of regulatory concern upon adjudicatory review of the
2 commission of a particular permitting action.

3 (B)(i) In the case of any discharge limit, emission limit,
4 environmental standard, analytical method, or monitoring requirements, the

10 identical to an applicable regulation, this demonstration may be satisfied by
11 reference to the regulation. In all other cases, the ~~department~~ division must
12 provide its own justification with appropriate reference to the scientific

13 entities from enacting more stringent ordinances regulating nonmunicipal
14 domestic treatment sewage systems in Arkansas.

15 (l) The commission may promulgate rules to establish a permit-by-rule.
16 A permit-by-rule is subject to the public notice requirements and procedural
17 provisions under § 8-4-202 et seq. but is not subject to the public notice
18 requirements and procedural provisions under this section and §§ 8-4-204 and

7 (B) The ~~department~~ division shall pay the costs of
8 publication of notice of a draft permitting decision to issue a general
9 permit.

10 (C) General permit coverage is not transferable unless the

13 permit that has not been previously issued, the ~~department~~ division shall
14 consider the economic impact and environmental benefit of the general permit
15 and its terms and conditions upon the people of the State of Arkansas,
16 including those entities that may apply for coverage under the general
17 permit.

18 (ii) This requirement does not apply to general

9 reasonably possible.

10 (B) The department or the division shall publish its final
11 permitting decision to renew or not renew the general permit at least one
12 hundred eighty (180) days before the expiration date of the general permit.

13 (C) If the general permit expires before the final
14 decision to renew or not renew the general permit, the terms and conditions
15 of the general permit shall remain in effect, and all persons who obtained
16 coverage under the general permit before its expiration shall retain coverage
17 under the general permit until there has been a final permit decision on the
18 general permit.

19 (D) In the event the department or the division makes a
20 decision to not renew the general permit, existing coverage under the general
21 permit shall continue under the terms of the expired permit until a final
22 decision is reached for an individual permit.

23 (6)(A) If a general permit is appealed and the general permit
24 expires before the final decision by the director or by the commission to
25 renew or not renew the general permit, the terms and conditions of the
26 general permit shall remain in effect.

27 (B) All persons who obtained coverage under the general
28 permit before its expiration shall retain coverage under the general permit
29 until there has been a final administrative decision on the general permit.

30 (C) The director shall not approve new coverage under an
31 expired general permit for any facility for which a notice of intent was not
32 filed before expiration of the general permit.

33 (n)(1) When an application for the issuance of a new permit for a
34 liquid animal waste system or a modification of an existing permit for a
35 liquid animal waste system is filed, the ~~department~~ division shall give

32 concerns, the General Assembly concludes that regional solid waste management
33 and planning, under the oversight of the ~~Arkansas Department~~ Division of
34 Environmental Quality and the Arkansas Pollution Control and Ecology

5 in 42 U.S.C. § 7429(a)(1)(C) has directed the United States Environmental
6 Protection Agency to promulgate regulations concerning these commercial
7 medical waste incineration facilities. The General Assembly has determined
8 that it is necessary to delay the issuance of permits to these commercial
9 medical waste incineration facilities until those regulations are promulgated
10 in order to ensure that any permits issued will be based on the latest
11 available information concerning technology and safety as set forth in the
12 federal regulations.

13

30 incineration.

31
32 SECTION 2699. Arkansas Code § 8-6-1305 is amended to read as follows:

33 8-6-1305. Permits – Procedure generally – Definition.

34 (a) The ~~Arkansas Department~~ Division of Environmental Quality shall

22 county in which the commercial medical waste incineration facility is to be
23 located prior to the issuance of a final permit.

24 (e)(1)(A) Notwithstanding the general provisions of other laws,
25 permits for the construction or operation of commercial medical waste
26 incineration facilities shall not be transferable upon a change in ownership
27 or control of a commercial medical waste incineration facility.

28 (B) Prior to any change in ownership or control of a

16 Pollution Control and Ecology Commission as accruing equities in their favor.

17 (3) As used in this subsection:

18 (A) "Control" shall be presumed to reside with the owner,
19 as defined herein, unless circumstances indicate that a person or entity
20 other than an employee or agent of the owner is exercising ultimate decision-
21 making authority regarding the construction or operation of a commercial
22 medical waste incineration facility; and

23 (B) "Corporate ownership" shall be defined as a
24 controlling or majority interest in a commercial medical waste incineration
