21 (1)(A) When working on behalf of a board or commission,

30
31 25-43-109. Correction of technical errors related to transformation of
32 state government.

33 (a)(1) The General Assembly finds that:

34 (A) The transformation of the structure of state
35 government under the Transformation and Efficiencies Act of 2019 involves
36 changes to thousands of sections of the Arkansas Code concerning state

1 entities;

2 (B) Many of the changes required are highly technical and
3 require careful study of the purpose and context of each Arkansas Code
4 section, with the need for some of the changes not becoming apparent until
5 the implementation of the transformation of state government under this
6 chapter;

7 (C) With a project as large and comprehensive as the
8 transformation of state government under this chapter, it is inevitable that
9 certain sections of the Arkansas Code requiring technical changes to follow
10 the intent of this chapter will be either omitted or amended in a manner that
11 is later found to be erroneous and unintentional; and

12 (D) If the correct statutory change to remedy an
13 unintentional error is readily apparent and consistent with the intent of
14 this chapter, the unintentional error should be corrected as part of the
15 codification process due to the technical nature of the unintentional error.

16 (2) It is the intent of the General Assembly to empower the
17 Arkansas Code Revision Commission to correct technical errors identified in
18 the Arkansas Code during the transformation of the structure of state
19 government under this chapter to allow this chapter to be fully implemented.

20 (b)(1)(A) Any person or state entity identifying one (1) or more
21 sections of the Arkansas Code that require revision to implement the intent
22 of this chapter may notify the Director of the Bureau of Legislative Research
23 or his or her designee of the section or sections at issue.

24 (B) If the Bureau of Legislative Research, while assisting
25 the commission with the commission's powers and duties, becomes aware of one
26 (1) or more sections of the Arkansas Code that require revision to implement
27 the intent of this chapter for which it appears that the bureau and the
28 commission do not have authority to make the necessary revision under § 1-2-
29 303(d), the bureau may notify the commission of the section or sections at
30 issue.

31 (2) If the commission determines that the revision necessary to
32 one (1) or more sections of the Arkansas Code under subdivision (b)(1) of
33 this section is technical in nature, germane to the intent of this chapter,
34 and consistent with this chapter's policy and purposes, the commission may
35 make the revision to the Arkansas Code.

36 (3) The commission shall notify the publisher of the Arkansas

1 Code of a revision to the Arkansas Code under subdivision (b)(2) of this
2 section as soon as possible so that the revision may be reflected in the
3 official hard copy version of the Arkansas Code and official electronic
4 version of the Arkansas Code.

5 (4)(A) Except as provided in subdivision (b)(4)(B) of this
6 section, when the commission approves a revision to the Arkansas Code under
7 subdivision (b)(2) of this section, the commission shall notify the following
8 of the revision within thirty (30) days:

9 (i) The Speaker of the House of Representatives;

10 (ii) The President Pro Tempore of the Senate; and

11 (iii) The Legislative Council.

12 (B) The commission is not required to make a notification
13 under subdivision (b)(4)(A) of this section if the revision is made under §
14 1-2-303(d).

15 (c) The authority granted to the commission under this section is
16 supplemental to the commission's authority under § 1-2-303.

17
18 25-43-110. Funds and personnel transferred.

19 (a) A fund or fund account name that due to the implementation of the
20 Transformation and Efficiencies Act of 2019 has not been revised in an
21 appropriation or in the Arkansas Code to the same fund or fund account name
22 enacted by the Ninety-Second General Assembly, shall be payable from the
23 appropriation enacted with the fund or fund account name as originally
24 enacted by the Ninety-Second General Assembly.

25 (b) Unless otherwise provided by law, when all or part of a state
26 entity is subject to a cabinet-level department transfer, the state entity's
27 authorized classifications, employees, property, unexpended balances of
28 appropriations, allocations, and funds are transferred to the cabinet-level
29 department as authorized under this chapter.

30 (c)(1) A state entity appropriation transferred from a paying account
31 or fund not established in a cabinet-level department, due to the
32 implementation of the Transformation and Efficiencies Act of 2019, is payable
33 and appropriated from a cash fund established in the State Treasury in the
34 same amount and for the same purpose as that transferred state entity.

35 (2) At no time may funding or cash fund appropriation be
36 established under subsection (c) of this section that is not authorized to be

1 transferred or in a greater amount than is transferred.

2 (d)(1) Any classification title for a state entity that is subject to
3 a cabinet-level department transfer under this chapter may be revised as
4 determined appropriate by the Office of Personnel Management to reference the
5 appropriate state entity.

6 (2) The authority under subsection (d) of this section does not
7 allow for revisions to:

8 (A) A pay grade;

9 (B) A line item;

10 (C) The number of authorized classifications; or

11 (D) A job duty.

12
13 25-43-111. State entity subject to Arkansas Constitution, Amendment
14 33.

15 (a) Notwithstanding any provision of the Transformation and
16 Efficiencies Act of 2019, if a state entity subject to a cabinet-level
17 department transfer under this chapter is subject to Arkansas Constitution,
18 Amendment 33:

19 (1) The state entity subject to Arkansas Constitution, Amendment
20 33, and the institutions under its authority shall be considered to be
21 affiliated with the cabinet-level department at issue; and

22 (2) The state entity subject to Arkansas Constitution, Amendment
23 33, shall perform all functions with respect to the management and control of
24 the state entity and the institutions under its authority as contemplated by
25 Arkansas Constitution, Amendment 33.

26 (b) The Transformation and Efficiencies Act of 2019 shall not abridge,
27 diminish, or curtail, in any respect, the authority or responsibilities
28 vested in a state entity that is subject to Arkansas Constitution, Amendment
29 33, and affiliated with a cabinet-level department under the Transformation
30 and Efficiencies Act of 2019.

31
32 SECTION 3. Arkansas Code Title 25, Chapter 43, is amended to add an
33 additional subchapter to read as follows:

27 warrant – Exceptions – Penalties.

28 (a) General. Whenever it shall be necessary for the purpose of
29 implementing or monitoring the enforcement of any law charged to the
30 authority of the ~~Arkansas Department~~ Division of Environmental Quality, any
31 authorized employee or agent of the ~~department~~ division may enter upon any
32 public or private property for the purpose of obtaining information or
33 conducting investigations or inspections, subject to the following
34 provisions.

35 (b) Definitions. As used in this section, the following terms shall
36 have these ascribed meanings:

1 (1) "Administrative inspections" means investigation by
2 ~~department~~ division personnel at facilities operating within the ~~department's~~
3 division's apparent regulatory jurisdiction;

4 (2) "Facility" means the public or private area, premises,
5 curtilage, building, or conveyance described as the subject of administrative
6 inspection;

7 (3) "Pervasively regulated facility or activity" means the
8 activity or facility that is the location of activity authorized by the
9 ~~department~~ division through a permit, license, certification, or operational
10 status approval; and

11 (4)(A) "Probable cause" means showing that an administrative
12 search limited in scope is necessary to ensure compliance with or enforcement
13 of laws, regulations, or orders charged to the ~~department~~ division for
14 implementation.

15 (B) For the purpose of conducting administrative
16 inspections or applying for administrative warrants, probable cause may be
17 provided to the ~~department~~ division through complaints or other means that
18 reasonably justify a limited and controlled administrative inspection.

19 (c) Administrative Inspections.

20 (1)(A) Whenever the ~~department~~ division obtains information that
21 supports reasonable cause to believe that a violation of any law within its
22 regulatory authority is being or has been violated, or that unauthorized
23 regulated conduct is occurring or has occurred, ~~department~~ division personnel
24 or its agents may demand entry onto any property, public or private, to
25 inspect any facility.

26 (B) The ~~department's~~ division's investigation or
27 inspection shall be limited to that necessary to confirm or deny the cause
28 which prompted the investigation or inspection, and shall be conducted during
29 daylight, during regular business hours, or, under emergency or extraordinary
30 circumstances, at a time necessary to observe the suspected violation or
31 unauthorized conduct.

32 (C) Except under emergency circumstances, the ~~department~~
33 division shall inform such facility's owner or agent of all information which
34 forms the basis of its probable cause at the time of the inspection.

35 (2) Nothing in this subsection shall be construed as requiring
36 the ~~department~~ division to forfeit the element of surprise in its inspection

1 efforts.

2 (3) Also, nothing in this section shall be construed as limiting
3 the frequency of the periodic or random inspections of pervasively regulated
4 facilities or activities.

5 (4) For the purpose of this section, a rebuttable presumption
6 concerning the jurisdiction of the ~~department's~~ division's regulatory
7 authority is established as it regards the ~~department's~~ division's authority
8 to inspect any facility.

9 (d) Administrative Inspection Warrants. If consent to inspect is
10 denied, the ~~department~~ division may obtain an administrative inspection
11 warrant from a judicial officer. Issuance and execution of administrative
12 inspection warrants shall be as follows:

13 (1) Any judicial officer otherwise authorized to issue search
14 warrants within his or her jurisdiction may, upon proper oath or affirmation
15 showing probable cause as defined by this section, issue warrants for the
16 purpose of conducting administrative inspections authorized by any law or
17 regulation administered by the ~~department~~ division;

18 (2) A warrant shall issue only upon an affidavit of a ~~department~~
19 division official, employee, or agent having knowledge of the facts alleged,
20 sworn to before the judge or magistrate and establishing the grounds for
21 issuing the warrant. If the judge or magistrate is satisfied that grounds for
22 the application exist or that there is probable cause to believe they exist,
23 he or she shall issue a warrant identifying the facility to be inspected, and
24 the purpose of the inspection. The warrant shall:

25 (A) State the grounds for its issuance and the name of
26 each person whose affidavit has been taken in support thereof;

27 (B) Be directed to a ~~department~~ division officer or
28 employee;

29 (C) Command the person to whom it is directed to inspect
30 the area, premises, building, or conveyance identified for the purpose
31 specified;

32 (D) Specifically identify any documents or samples to be
33 gathered during the inspection;

34 (E) Direct that it be served during normal business hours
35 unless emergency or extraordinary circumstances compel otherwise; and

36 (F) Designate the judge or magistrate to whom it shall be

1 returned;

2 (3) If appropriate, the warrant may authorize the review and
3 copying of documents which may be relevant to the purpose of the inspection.
4 If documents must be seized for the purpose of copying, the person serving
5 the warrant shall prepare an inventory of documents taken. The inventory
6 shall be made in the presence of the person executing the warrant and of the
7 person from whose possession or facility the documents were taken, if
8 present, or in the presence of at least one (1) credible person other than
9 the person executing the warrant. A copy of the inventory shall be delivered
10 to the person from whom or from whose facility the documents were taken. The
11 seized documents shall be copied as soon as feasible under circumstances
12 preserving their authenticity, then returned to the person from whom the
13 documents were taken;

14 (4) The warrant may authorize the taking of samples of materials
15 generated, stored, or treated at the facility, or of the water, air, or soils
16 within the facility's control or that may have been affected by the
17 facility's operations. The person executing the warrant shall prepare an
18 inventory of all samples taken. In any inspection conducted pursuant to an
19 administrative warrant in which such samples are taken, the ~~department~~
20 division shall make split samples available to the person whose facility is
21 being inspected;

22 (5) A warrant issued pursuant to this section must be executed
23 and returned within ten (10) days of its date unless, upon a showing of a
24 need for additional time, the court orders otherwise. The return of the
25 warrant shall be made promptly, accompanied by a written inventory of any
26 documents or samples taken;

27 (6) The judge or magistrate who has issued a warrant shall
28 attach thereto a copy of the return and all papers returnable in connection
29 therewith and file them with the clerk of the circuit court for the judicial
30 district in which the inspection was made;

31 (7) This subsection does not prevent the inspection without a
32 warrant of books and records pursuant to an administrative subpoena issued in
33 accordance with duly adopted administrative procedures; and

34 (8) A copy of the warrant and all supporting affidavits shall be
35 provided to the person served, or left at the entry of the facility
36 inspected.

1 (e) Administrative Inspection Warrants – Exceptions. Notwithstanding
2 the previous subsection, an administrative warrant shall not be required for
3 any inspection, including the review and copying of documents and taking of
4 samples, under the following circumstances:

5 (1) For pervasively regulated facilities or activities as
6 defined by this section whose permit, license, certification, or operational
7 approval from the ~~department~~ division provides notice that the ~~department~~
8 division may inspect regulated activities to assure compliance. If the
9 ~~department~~ division has reason to believe that a violation of any law has or
10 is occurring, the basis for such belief shall be communicated at the time of
11 the inspection;

12 (2) If the owner, operator, or agent in charge of the facility
13 consents;

14 (3) In situations presenting imminent danger to public health
15 and safety or the environment;

16 (4) In situations involving inspection of conveyances, if there
17 is reasonable cause to believe that the mobility of the conveyance makes it
18 impracticable to obtain a warrant;

19 (5) In any other exception or emergency circumstance when time
20 or opportunity to apply for a warrant is lacking;

21 (6) In situations involving conditions that may be observed in
22 an open field, from an area practically open to public access, or in plain
23 view; or

24 (7) In all other situations in which a warrant is not
25 constitutionally required.

26 (f) Penalties. Any willful and unjustified refusal of right of entry
27 and inspection to ~~department~~ division personnel as set out in this section
28 shall constitute a misdemeanor subject to a fine of up to twenty-five
29 thousand dollars (\$25,000) or civil penalties up to twenty-five thousand
30 dollars (\$25,000).

15 requirements of this subsection.

16 (D)(i) The amount of any financial assurance required

26 applicant or the person and the director's discretion:

27 (a) First class mail; or

28 (b) Email.

29 (e)(1)(A) Whenever the ~~department~~ division proposes to grant or deny

21 during the public comment period. The response shall manifest reasoned
22 consideration of the issues raised by the public comments and shall be
23 supported by appropriate legal, scientific, or practical reasons for
24 accepting or rejecting the substance of the comment in the ~~department's~~
25 division's permitting decision.

26 (ii) For the purposes of this section, response to
27 comments by the ~~department~~ division should serve the roles of both developing
28 the record for possible judicial review of an individual permitting action
29 and as a record for the public's review of the ~~department's~~ division's
30 technical and legal interpretations on long-range regulatory issues.

31 (iii) Nothing in this section, however, shall be
32 construed as limiting the ~~department's~~ division's authority to raise all
33 relevant issues of regulatory concern upon adjudicatory review of the
34 commission of a particular permitting action.

35 (B)(i) In the case of any discharge limit, emission limit,
36 environmental standard, analytical method, or monitoring requirements, the

4 scientific knowledge and engineering practices.

5 (ii) For any standard or requirement that is
6 identical to an applicable regulation, this demonstration may be satisfied by
7 reference to the regulation. In all other cases, the ~~department~~ division must
8 provide its own justification with appropriate reference to the scientific
9 and engineering literature or written studies conducted by the ~~department~~
10 division.

11 (f)(1) All costs of publication of notices of applications and notices

2 of the disclosure statement.

3 (i) In the event of voluminous comments, including without limitation

8 (k) This section in no way restricts local and county government
9 entities from enacting more stringent ordinances regulating nonmunicipal
10 domestic treatment sewage systems in Arkansas.

11 (l) The commission may promulgate rules to establish a permit-by-rule.
12 A permit-by-rule is subject to the public notice requirements and procedural
13 provisions under § 8-4-202 et seq. but is not subject to the public notice
14 requirements and procedural provisions under this section and §§ 8-4-204 and
15 8-4-205.

2 this section.

3 (B) The ~~department~~ division shall pay the costs of
4 publication of notice of a draft permitting decision to issue a general
5 permit.

6 (C) General permit coverage is not transferable unless the
7 general permit provides for transfer.

8 (3)(A)(i) Before the submittal to public comment of a general
9 permit that has not been previously issued, the ~~department~~ division shall
10 consider the economic impact and environmental benefit of the general permit
11 and its terms and conditions upon the people of the State of Arkansas,
12 including those entities that may apply for coverage under the general
13 permit.

14 (ii) This requirement does not apply to general
15 permits or terms or conditions that adopt the language of state or federal
16 statutes or regulations without substantive change.

17 (B) If the terms and conditions of a previously issued
18 general permit are revised upon renewal, the economic impact and
19 environmental benefit of only the proposed changes shall be considered.

20 (C) A general permit for which costs are specifically

32 procedures promulgated by the commission.

33 (5)(A)(i) When a general permit includes an expiration date
34 later than July 1, 2012, the ~~department~~ Arkansas Department of Environmental
35 Quality or the Division of Environmental Quality shall publish the notice of
36 intent to renew or not renew the general permit at least three hundred sixty-

13 (3) As used in this subsection:

14 (A) "Control" shall be presumed to reside with the owner,
15 as defined herein, unless circumstances indicate that a person or entity
