Subtitle

15 CONCERNING INTERNET PROTOCOL ADDRESS
16 GEOLOCATION INFORMATION IN AN EMERGENCY
17 SITUATION.
18
19

20 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
21

22 SECTION 1. Arkansas Code Title 12, Chapter 12, Subchapter 19, is
23 amended to read as follows:

24 Subchapter 19 – Location Information of a Wireless Telecommunications Device
25 and Geolocation of Internet Protocol Address in an Emergency Situation
26

27 12-12-1901. Definitions.

28 As used in this subchapter:

29 (1) "Commercial mobile radio service" means a commercial mobile
30 service under 47 U.S.C. § 151 et seq., Federal Communications Commission
31 rules, and the Omnibus Budget Reconciliation Act of 1993, Pub. L. No. 103-66;

32 (2) "Contact information" means the name of a person or a
33 compilation of names of persons who can immediately respond to and facilitate
34 a request for location information from a public safety agency at any time;

35 (3) "Geolocation" means the identification or estimation of a
36 geographic location of an internet-enabled device connected to a computer

1 network;

2 (4) "Internet protocol (IP) address" means a numerical label
3 assigned to each device connected to a computer network that uses internet
4 protocol for communication;

5 ~~(3)~~(5) "Law enforcement agency" means the Department of Arkansas
6 State Police, the Attorney General's office, a prosecuting attorney's office,
7 a county sheriff's department, ~~or~~ a municipal police department, or a state
8 agency with a law enforcement division;

9 ~~(4)~~(6) "Location information" means cell site or other
10 geographic location estimate information in possession of a commercial mobile
11 radio service provider; and

12 ~~(5)~~(7) "Public safety agency" means an agency that provides ~~fire~~
13 fighting ~~firefighting~~, law enforcement, medical, or other emergency services.
14

15 12-12-1902. Commercial mobile radio service ~~or internet service~~
16 provider to provide information upon request.

17 (a) Upon request of a law enforcement agency, a commercial mobile
18 radio service provider shall provide location information of a wireless
19 telecommunications device ~~and an internet service provider shall provide~~
20 geolocation information of an internet protocol (IP) address to the law
21 enforcement agency, in the most expeditious manner reasonably available to
22 the internet service provider, in order ~~to~~ that the law enforcement agency
23 may respond to a call for emergency services or ~~in~~ to an emergency situation
24 that involves the risk of death or serious physical harm.

25 (b) This section does not prohibit a commercial mobile radio service
26 provider ~~or an internet service provider~~ from establishing protocols by which
27 the commercial mobile radio service provider ~~or the internet service provider~~
28 may voluntarily disclose location information ~~or geolocation information.~~

29 (c) Within five (5) days of providing location information or
30 geolocation information to a requesting law enforcement agency, a commercial
31 mobile radio service provider or an internet service provider that supplied
32 the law enforcement agency with location information or geolocation
33 information under this subchapter may request, and the law enforcement agency
34 shall provide, the court order, subpoena, or search warrant, as applicable,
35 outlining the request made and the actions taken by the law enforcement
36 agency.
