17 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
18

19 SECTION 1. DO NOT CODIFY. Findings.

20 The General Assembly finds that:

21 (1) The Supreme Court holding in Pulaski County v. Carriage
22 Creek Property Owners Improvement District, 319 Ark. 12, 888 S.W.2d 652
23 (1994), addressed and clarified real property issues within a property
24 owners' improvement district;

25 (2) The findings of the court can be applied to suburban
26 improvement districts to give the districts the ability to gain control of
27 real property that otherwise provides no revenue for the district or local
28 municipalities; and

29 (3) This act will help stabilize the real estate market in
30 suburban improvement districts and encourage growth by providing the suburban
31 improvement districts an opportunity to convey the real property to an
32 individual or entity which, in turn, will generate revenue in assessments for
33 the suburban improvement districts and will generate revenue in ad valorem
34 taxes for the county in which the real property lies.
35

8 (c) A suburban improvement district may enforce collection of
9 delinquent suburban improvement district assessments by ~~chancery~~ proceedings
10 in the ~~chancery~~ circuit court of the county in the manner as provided for
11 municipal property owners' improvement districts under § 14-94-122.

12 (d) The Commissioner of State Lands may negotiate the redemption and
13 sale of any real property certified to the Commissioner of State Lands by a
14 suburban improvement district even if the certified real property is titled
15 in the name of the suburban improvement district.

16 (e) Real property titled in the name of a suburban improvement
17 district and established under this chapter is public property.

18 (f) Real property titled in the name of a suburban improvement
19 district established under this chapter is held exclusively for a public

21 (1) The suburban improvement district acquires title to the real
22 property through foreclosure, quitclaim deed, gift, bequest, or arms-length
23 transaction; and

24 (2) The suburban improvement district is not using the real
25 property in a proprietary manner.

26 (g) A suburban improvement district uses real property in a
27 proprietary manner if:

29 property for an amount that exceeds the value of the assessments lost on the
30 real property since the suburban improvement district was established;

31 (2) The suburban improvement district intends to lease the real
32 property for a period of time in an amount that exceeds the value of the

36 property in a manner to generate income and revenue solely for the benefit of

1 the suburban improvement district.

6 district; or

7 (2) Costs, fees, and expenses paid by the suburban improvement
8 district in obtaining title to the real property in the name of the suburban
9 improvement district.

10 (i) Real property titled in the name of a suburban improvement
11 district and established under this chapter is exempt from the assessment of
12 ad valorem taxes in the county in which the real property is located and
13 shall be removed from the tax rolls upon application from the suburban
14 improvement district that states under oath the suburban improvement district
15 does not intend to use the real property titled in its name in a proprietary
