When the erating expenses				

- 1 the State for processing and for prior approval by the Arkansas Legislative
- 2 Council or Joint Budget Committee. Determining the maximum number of
- 3 employees and the maximum amount of appropriation and general revenue funding
- 4 for a state agency each fiscal year is the prerogative of the General
- 5 Assembly. This is usually accomplished by delineating such maximums in the
- 6 appropriation act(s) for a state agency and the general revenue allocations
- 7 authorized for each fund and fund account by amendment to the Revenue
- 8 Stabilization law. Further, the General Assembly has determined that the
- 9 Minority Health Commission may operate more efficiently if some flexibility
- 10 is provided to the Minority Health Commission authorizing broad powers under
- 11 this Section. Therefore, it is both necessary and appropriate that the
- 12 General Assembly maintain oversight by requiring prior approval of the
- 13 Legislative Council or Joint Budget Committee as provided by this section.
- 14 The requirement of approval by the Legislative Council or Joint Budget
- 15 Committee is not a severable part of this section. If the requirement of
- 16 approval by the Legislative Council or Joint Budget Committee is ruled
- 17 unconstitutional by a court of competent jurisdiction, this entire section is
- 18 void.
- The provisions of this section shall be in effect only from July 1,2019
- 20 2020 through June 30, 2020 2021.

21

- 22 SECTION 5. COMPLIANCE WITH OTHER LAWS. Disbursement of funds
- 23 authorized by this act shall be limited to the appropriation for such agency
- 24 and funds made available by law for the support of such appropriations; and
- 25 the restrictions of the State Procurement Law, the General Accounting and
- 26 Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary
- 27 Procedures and Restrictions Act, or their successors, and other fiscal
- 28 control laws of this State, where applicable, and regulations promulgated by
- 29 the Department of Finance and Administration, as authorized by law, shall be
- 30 strictly complied with in disbursement of said funds.

31

- 32 SECTION 6. LEGISLATIVE INTENT. It is the intent of the General
- 33 Assembly that any funds disbursed under the authority of the appropriations
- 34 contained in this act shall be in compliance with the stated reasons for
- 35 which this act was adopted, as evidenced by the Agency Requests, Executive
- 36 Recommendations and Legislative Recommendations contained in the budget

1	manuals prepared by the Department of Finance and Administration, letters, or					
2	summarized oral testimony in the official minutes of the Arkansas Legislative					
3	Council or Joint Budget Committee which relate to its passage and adoption.					
4						
5	SECTION 7. EMERGENCY CLAUSE. It is found and determined by the General					
6	Assembly, that the Constitution of the State of Arkansas prohibits the					
7	appropriation of funds for more than a one (1) year period; that the					
8	effectiveness of this Act on July 1, 2020 is essential to the operation of					
9	the agency for which the appropriations in this Act are provided, and that in					
10	the event of an extension of the legislative session, the delay in the					
11	effective date of this Act beyond July 1, 2020 could work irreparable harm					
12	upon the proper administration and provision of essential governmental					
13	programs. Therefore, an emergency is hereby declared to exist and this Act					
14	being necessary for the immediate preservation of the public peace, health					
15	and safety shall be in full force and effect from and after July 1, 2020.
