9
10 SECTION 6. EMERGENCY CLAUSE. It is found and determined by the
11 General Assembly of the State of Arkansas that due to the coronavirus 2019
12 (COVID-19) pandemic, the Governor removed barriers to the use of telemedicine
13 in an attempt to combat the coronavirus 2019 (COVID-19) pandemic; that these
14 emergency actions will expire when the emergency proclamation expires, which
15 could occur quickly; that on February 26, 2021, the Governor announced that
16 the public health emergency was extended but that the Governor was going to
17 lift some regulations related to the pandemic; that removing barriers to the
18 use of telemedicine ensured that the citizens of Arkansas had the services
19 that they needed, and removing these emergency proclamations regarding
20 telemedicine would greatly disadvantage and harm the citizens of Arkansas who
21 are utilizing telemedicine for healthcare services; that this bill maintains
22 the policy changes allowed under the emergency proclamation, which would
23 allow the citizens of Arkansas greater access to the use of telemedicine for
24 healthcare services; and that this act is immediately necessary to ensure
25 that the citizens of Arkansas have access to healthcare services provided via
26 telemedicine. Therefore, an emergency is declared to exist, and this act
27 being immediately necessary for the preservation of the public peace, health,
28 and safety shall become effective on:

29 (1) The date of its approval by the Governor;

30 (2) If the bill is neither approved nor vetoed by the Governor,
31 the expiration of the period of time during which the Governor may veto the
32 bill; or

33 (3) If the bill is vetoed by the Governor and the veto is
34 overridden, the date the last house overrides the veto.
