4 SECTION 6. EMERGENCY CLAUSE. It is found and determined by the
5 General Assembly of the State of Arkansas that due to the coronavirus 2019
6 (COVID-19) pandemic, the Governor removed barriers to the use of telemedicine
7 in an attempt to combat the coronavirus 2019 (COVID-19) pandemic; that these
8 emergency actions will expire when the emergency proclamation expires, which
9 could occur quickly; that on February 26, 2021, the Governor announced that
10 the public health emergency was extended but that the Governor was going to
11 lift some regulations related to the pandemic; that removing barriers to the
12 use of telemedicine ensured that the citizens of Arkansas had the services
13 that they needed, and removing these emergency proclamations regarding
14 telemedicine would greatly disadvantage and harm the citizens of Arkansas who
15 are utilizing telemedicine for healthcare services; that this bill maintains
16 the policy changes allowed under the emergency proclamation, which would
17 allow the citizens of Arkansas greater access to the use of telemedicine for
18 healthcare services; and that this act is immediately necessary to ensure
19 that the citizens of Arkansas have access to healthcare services provided via
20 telemedicine. Therefore, an emergency is declared to exist, and this act
21 being immediately necessary for the preservation of the public peace, health,
22 and safety shall become effective on:

23 (1) The date of its approval by the Governor;

24 (2) If the bill is neither approved nor vetoed by the Governor,
25 the expiration of the period of time during which the Governor may veto the
26 bill; or

27 (3) If the bill is vetoed by the Governor and the veto is
28 overridden, the date the last house overrides the veto.
