3 in their own homes and maintain a level of personal independence and freedom;
4 and

15 (c)(1) Personal care reimbursement rates shall be established at
16 twelve dollars and thirty five cents (\$12.35) per unit or at lesser amounts
17 as may be established for a program of client directed personal care which

19 is an increase in the state or federal minimum wage that is higher than the
20 minimum wage that applies to employees in Arkansas, the Arkansas Medicaid

22 services within one hundred eighty (180) days of the publishing of the rate
23 by the Department of Labor and Licensing.

24 (2) Within one hundred eighty (180) days of the completion of
25 the review of the reimbursement rates under subdivision (c)(1) of this
26 section, the Department of Human Services shall submit a state plan
27 amendment, waiver, or other necessary authorization to modify the
28 reimbursement rate of personal care services.

29 (3) The reimbursement rate modifications described in
30 subdivision (c)(2) of this section shall be retroactive to the maximum date
