23 SECTION 1. DO NOT CODIFY. Legislative findings.

24 The General Assembly finds that:

25 (1) The State of Arkansas facilitates the disbursement of both  
26 state and federal funds to qualifying entities for purposes of conducting  
27 certain activities;

28 (2) Public dollars awarded to qualifying entities may facilitate  
29 or subsidize directly or indirectly expenses or activities not directly  
30 related to those for which the funds were intended, including without  
31 limitation shared administrative costs, overhead, employee salaries, rent,  
32 utilities, and various other expenses;

33 (3) It is possible that public dollars made available by or  
34 through the State of Arkansas may be awarded to an entity that performs  
35 elective abortions or subsidizes or otherwise facilitates the entity's  
36 ability to perform elective abortions although the funds were not disbursed

specifically for the purpose of performing elective abortions;

(4) Amendment 68 to the Arkansas Constitution of 1874 states, "No public funds will be used to pay for any abortion, except to save the mother's life";

(5) The direct or indirect subsidization or facilitation of abortion with funds distributed by the state constitutes paying for an abortion and, therefore, conflicts with Amendment 68 to the Arkansas Constitution of 1874;

(6) As elected representatives of the people of Arkansas, the members of the General Assembly are entrusted with ensuring that all activities conducted with the aid of public funds are in accordance with the wishes of the people of Arkansas and the intent of the laws of this state; and
