20

21 SECTION 6. EMERGENCY CLAUSE. It is found and determined by the
22 General Assembly of the State of Arkansas that there is an urgent need to
23 update and modernize the information technology systems for administering
24 unemployment insurance claims and to create and apply an overpayment
25 prevention and recovery process due to a rise in unemployment insurance fraud
26 claims; that to combat unemployment insurance fraud claims, the Division of
27 Workforce Services will modernize its systems and create and apply an
28 overpayment prevention and recovery process to prevent, detect, and recover
29 unemployment insurance fraud; and that this act is necessary because a
30 failure of the system could deprive Arkansans of the necessary resources to
31 preserve their health and well-being. Therefore, an emergency is declared to
32 exist, and this act being necessary for the preservation of the public peace,
33 health, and safety shall become effective on April 1, 2021.
