24 Determining the maximum number of employees and the maximum amount of

5 Department's reason(s) for the use of the funds and b) the amount of funds
6 that will be expended. The Department may contract with the Division of
7 Elementary and Secondary Education to administer the program.

8 Determining the maximum number of employees and the maximum amount of
9 appropriation and general revenue funding for a state agency each fiscal year
10 is the prerogative of the General Assembly. This is usually accomplished by
11 delineating such maximums in the appropriation act(s) for a state agency and
12 the general revenue allocations authorized for each fund and fund account by
13 amendment to the Revenue Stabilization law. Therefore, it is both necessary
14 and appropriate that the General Assembly maintain oversight by requiring
15 prior approval of the Legislative Council or Joint Budget Committee as
16 provided by this section. The requirement of approval by the Legislative
17 Council or Joint Budget Committee is not a severable part of this section.
