3 SECTION 26. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS
4 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW.

5 LEGISLATIVE FINDINGS AND INTENT.

6 (a) The General Assembly finds that:

7 (1) Generally, local entities do not budget for or have funds
8 available for broadband due-diligence business studies in connection with
9 making application for federal grants or loans for broadband development
10 programs;

11 (2) In order to spur further development of broadband in rural
12 Arkansas, it is necessary for local entities to conduct due-diligence
13 business studies before application for federal grants or loans for broadband
14 development programs;

15 (3) Expenses associated with broadband due-diligence business
16 studies can be burdensome to rural Arkansas communities, and it is in the
17 best interest of all Arkansans to make this investment;

18 (4) Under current Arkansas law, only certain eligible
19 telecommunications carriers have benefitted from the Arkansas High Cost Fund,
20 which underwrites broadband deployment; and

21 (5) It is necessary to provide funds to local entities to
22 further wide-spread broadband deployment, particularly in unserved and
23 underserved rural Arkansas, and to determine the feasibility of broadband
24 deployment for local entities that currently do not have federally-defined
25 broadband services and where these broadband due-diligence business studies
26 have not been conducted before.

27 (b) It is the intent of the General Assembly to provide funds to local
28 entities to defray expenses for broadband due-diligence business studies in
29 connection with preparation for federal grant and loan applications for
30 broadband development programs administered by the Federal Communications
31 Commission, the United States Department of Agriculture, or other federal
32 agency to spur federally-defined broadband development in rural Arkansas.

33 The provisions of this section shall be in effect only from July 1, ~~2020~~
34 2021 through June 30, ~~2021~~ 2022.

ESTABLISHMENT OF A "GROWTH POOL". (a) The Arkansas ~~Department~~ Division of

1 Higher Education shall establish and maintain for the ~~2020-2021~~ 2021-2022
2 fiscal year a pool of three hundred (300) nonclassified positions ~~at a salary~~
3 ~~level not to exceed \$307,741. A position established under this section shall~~
4 not exceed the salary rate of the highest maximum annual salary rate
5 authorized by the General Assembly in the institution's appropriation act.

6 These positions are to be used by the University of Arkansas for Medical
7 Sciences in the event that the personal services needs of the University
8 during the ~~2020-2021~~ 2021-2022 fiscal year exceed the number of positions
9 allocated to the University by the Legislature. The University shall provide
10 justification to the Arkansas ~~Department~~ Division of Higher Education for the
11 need to allocate titles from this "growth pool". No classifications will be
12 assigned to the pool until such time as specific positions are requested by
13 the University, approved by the University Board or their designee, and
14 approved by the Legislative Council or Joint Budget Committee. Furthermore,
15 the Arkansas ~~Department~~ Division of Higher Education shall establish and
16 maintain for the ~~2020-2021~~ 2021-2022 fiscal year a pool of three hundred
17 (300) career service positions up to a C130. These positions are to be used
18 by the University of Arkansas for Medical Sciences in the event that the

20 fiscal year exceed the number of positions in a classification allocated to
21 the University by the Legislature. The University shall provide justification
22 to the Arkansas ~~Department~~ Division of Higher Education for the need to

24 to the pool until such time as specific positions are requested by the
25 University, recommended by the Arkansas ~~Department~~ Division of Higher
26 Education, and approved by the Legislative Council or Joint Budget Committee.

27 (b) Determining the number of personnel to be employed by a state agency
28 is the prerogative of the General Assembly and is usually accomplished by
29 delineating the maximum number of personnel by identifying the job titles and
30 the maximum grade or salary attached to those salaries. The General Assembly
31 has determined that the University of Arkansas for Medical Sciences could be
32 operated more efficiently if some flexibility is given to that institution.
33 That flexibility is being accomplished by providing growth pools in
34 subsection (a) of this section and since the General Assembly has granted the
35 institution broad powers under the growth pool concept, it is both necessary
36 and appropriate that the General Assembly maintain oversight of the

1 utilization of the growth pool by requiring prior approval of the Legislative
2 Council or Joint Budget Committee in the utilization of the growth pool.
3 Therefore, the requirement of approval by the Legislative Council or Joint
4 Budget Committee is not a severable part of this section. If the requirement
5 of approval by the Legislative Council or Joint Budget Committee is ruled
6 unconstitutional by a court of competent jurisdiction, this entire section is
7 void.

8 If the agency requests continuation of a "Growth Pool" position(s) as
9 established herein during the next fiscal year, the position(s) must be
10 requested as a new position(s) in the agency's budget request.

11 The provisions of this section shall be in effect only from July 1, ~~2020~~
12 2021 through June 30, ~~2021~~ 2022.

23 evaluate new and better ways to address medically, socially and economically
24 interrelated health and developmental needs of children with special health
25 care needs and their families. CHFLI priorities shall include, but are not
26 limited to, wellness and prevention, screening and diagnosis, treatment and
27 intervention, training and education and research and evaluation. Arkansas

14 amounts as are required between the line items made in the appropriation for
15 "Medical Loans and Scholarships".

16 The provisions of this section shall be in effect only from July 1, ~~2020~~

21 EXPANSION AND RESEARCH POOL. (a) In order to address personnel needs emerging
22 from expanding medical research and patient care issues and the necessity of
23 recruiting and retaining qualified medical, research, and related support
24 personnel, the University of Arkansas for Medical Sciences or its successor
25 is authorized for the ~~2020-2021~~ 2021-2022 fiscal year a pool of seven hundred
26 (700) "Clinical Expansion and Research Pool" positions. These positions are
27 to be used by the University of Arkansas for Medical Sciences in the event
28 that the personal services needs resulting from unanticipated clinical or
29 research programs that are initiated during the ~~2020-2021~~ 2021-2022 fiscal
30 year require additional positions, either in title, in classification, or in
31 number, that are not authorized or contemplated by the General Assembly in
32 the Regular Salaries - Operations section of this Act.

33 (b) The University of Arkansas for Medical Sciences is authorized to
34 access the "Clinical Expansion and Research Pool" positions authorized in
35 this Section at any time during the fiscal year when it is determined by the
36 Chancellor of the University of Arkansas for Medical Sciences, subject to the

1 review and approval by the Board of Trustees, that the need for additional
2 positions exists. Only medical or research positions shall be established
3 under this provision. The Chancellor of the University of Arkansas for
4 Medical Sciences shall provide a quarterly report detailing the justification
5 of allocation of positions from this "Clinical Expansion and Research Pool"
6 to the Chief Fiscal Officer of the State, to the ~~Department~~ Arkansas Division
7 of Higher Education, and to the Arkansas Legislative Council or Joint Budget
8 Committee for review. The report shall also include an accounting of the
9 names, titles and salaries of personnel who have been employed in positions
10 established from this pool and the source and duration of funds associated
11 with the positions.

12 (c) If the University of Arkansas for Medical Sciences requests
13 continuation of any "Clinical Expansion and Research Pool" position(s) as
14 established herein during the next fiscal year, the position(s) must be
15 requested as a new position(s) in the agency's budget request.

16 (d) Determining the number of personnel to be employed by a state agency
17 is the prerogative of the General Assembly and is usually accomplished by
18 delineating the maximum number of personnel by identifying job titles and the
19 maximum grade or salary attached to those titles. The General Assembly has
20 determined that the University of Arkansas for Medical Sciences could be
21 operated more efficiently if some flexibility is given to that institution.
22 That flexibility is being accomplished by providing a position pool in
23 Subsection (a) of this Section and since the General Assembly has granted the
24 agency broad powers under the growth pool concept, it is both necessary and
25 appropriate that the General Assembly maintain oversight of the utilization
26 of the position pool by requiring review of the Legislative Council or Joint
27 Budget Committee in the utilization of the position pool. Therefore, the
28 requirement of review by the Legislative Council or Joint Budget Committee is
29 not a severable part of this section. If the requirement of review by the
30 Legislative Council or Joint Budget Committee is ruled unconstitutional by a
31 court of competent jurisdiction, this entire section is void.

32 The provisions of this section shall be in effect only from July 1, ~~2020~~
33 2021 through June 30, ~~2021~~ 2022.

34
35 SECTION 54. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS

5 SECTION 59. EMERGENCY CLAUSE. It is found and determined by the
6 General Assembly, that the Constitution of the State of Arkansas prohibits
7 the appropriation of funds for more than a one (1) year period; that the
8 effectiveness of this Act on July 1, 2021 is essential to the operation of
9 the agency for which the appropriations in this Act are provided, and that in
10 the event of an extension of the legislative session, the delay in the
11 effective date of this Act beyond July 1, 2021 could work irreparable harm
12 upon the proper administration and provision of essential governmental
13 programs. Therefore, an emergency is hereby declared to exist and this Act
14 being necessary for the immediate preservation of the public peace, health
15 and safety shall be in full force and effect from and after July 1, 2021.
