21 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
22

23 SECTION 1. Arkansas Code Title 6, Chapter 15, is amended to add an
24 additional subchapter to read as follows:

25 Subchapter 30 – Community Schools Act
26

27 6-15-3001. Title.

28 This subchapter shall be known and may be cited as the "Community
29 Schools Act".
30

31 6-15-3002. Legislative findings.

32 The General Assembly finds that:

33 (1) According to 2020 data, sixty-six percent (66%) of Arkansas
34 students, and as much as one hundred percent (100%) of students in some
35 schools, qualify for free or reduced-price lunch, meaning that these students
36 live in lower-income households;

1 (2) As a result of so many students qualifying for free or
2 reduced-price lunch, some students may face more challenges than others in
3 succeeding in school and in life and can benefit from additional support;

4 (3) Community schools provide comprehensive programs and
5 services to meet the needs of the whole child, which include without
6 limitation adequate health care, mental health care, dental care, nutrition,
7 and trauma support services, so that students can reach their full potential;

8 (4) Not all families are able to provide academic support and
9 enrichment opportunities outside of school that help children and youth
10 develop educational, social, emotional, and physical skills throughout and
11 during out-of-school time;

12 (5) Community schools play a vital role in ensuring that all
13 students have access to opportunities that support success;

14 (6) Community schools support working families by ensuring all
15 children and youth are safe and productive, even during out-of-school time;

16 (7) Community schools help build strong communities by involving
17 students, parents, business leaders, and adult volunteers in the lives of
18 young people in positive and productive activities;

19 (8) Research shows that community school strategies can result
20 in improvements in a variety of student outcomes, including higher attendance
21 rates, higher aspirations toward finishing school and going to college, fewer
22 discipline issues, and cultivation of positive bonds with people and
23 institutions that are reflected in students' exchanges with peers, family,
24 school, and community;

25 (9) Research further shows that community school programs offer
26 a strong return on investment of up to fifteen dollars (\$15.00) for every one
27 dollar (\$1.00) invested in community schools;

28 (10) Community schools are a means through which the State of
29 Arkansas may promote the goal of encouraging federal, state, and local
30 governments to work with community-based organizations in order to improve
31 the coordination, delivery, effectiveness, and efficiency of services
32 provided to students and families;

33 (11) In evidence of this, federal funding can be used to support
34 community schools, and research demonstrates that community schools meet the
35 standard under 20 U.S.C. § 6301 et seq. for "evidence-based" approaches to
36 support schools identified for comprehensive and targeted support and

1 intervention; and

2 (12) Further guidelines and assistance for community school
3 strategies are provided through the Full-Service Community Schools Program of
4 the Office of Elementary and Secondary Education of the United States
5 Department of Education.

It is found and determined by the General Assembly of the State of Arkansas that the coronavirus 2019 (COVID-19) pandemic has resulted in substantial disruption to the educational system in the state's kindergarten through grade twelve (K-12) public schools and open-enrollment public charter schools; that amendments to the law as provided in this act are needed to address challenges faced by Arkansas students in succeeding in school and in life; and that this act is immediately necessary to maintain the orderly operation of public schools and open-enrollment public charter schools so that students in this state continue to receive an adequate education. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
