18
19

20 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
21

22 SECTION 1. DO NOT CODIFY. Legislative intent.

23 (a) The General Assembly finds that:

24 (1) Public use is a legal requirement under the takings clause
25 of the Fifth Amendment to the United States Constitution, which stipulates
26 owners of real property seized for public use be paid just compensation;

27 (2) Over two hundred (200) years of case law exists in the State
28 of Arkansas establishing the legal definition of "public use";

29 (3) It is necessary to codify current case law defining "public
30 use" in the State of Arkansas so that the system of eminent domain is
31 preserved; and

32 (4) It is in the best interest of the people of the State of
33 Arkansas for property owners to be protected from being subjected to a taking
34 by the federal, state, or local government unless that property is taken by
35 the government for public use and just compensation is received.

36 (b) It is the intent of the General Assembly to amend § 18-15-101 et

1 seq. so that the language of § 18-15-101 et seq. reflects current case law,
2 decisions, and precedent and to preserve the status quo of the eminent domain
3 process in the state.

4
