31 SECTION 25. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS

32 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW.

33 LEGISLATIVE FINDINGS AND INTENT.

34 (a) The General Assembly finds that:

35 (1) Generally, local entities do not budget for or have funds

36 available for broadband due-diligence business studies in connection with

1 making application for federal grants or loans for broadband development  
2 programs;

3 (2) In order to spur further development of broadband in rural  
4 Arkansas, it is necessary for local entities to conduct due-diligence  
5 business studies before application for federal grants or loans for broadband  
6 development programs;

7 (3) Expenses associated with broadband due-diligence business  
8 studies can be burdensome to rural Arkansas communities, and it is in the  
9 best interest of all Arkansans to make this investment;

10 (4) Under current Arkansas law, only certain eligible  
11 telecommunications carriers have benefitted from the Arkansas High Cost Fund,  
12 which underwrites broadband deployment; and

13 (5) It is necessary to provide funds to local entities to  
14 further wide-spread broadband deployment, particularly in unserved and  
15 underserved rural Arkansas, and to determine the feasibility of broadband  
16 deployment for local entities that currently do not have federally-defined  
17 broadband services and where these broadband due-diligence business studies  
18 have not been conducted before.

19 (b) It is the intent of the General Assembly to provide funds to local  
20 entities to defray expenses for broadband due-diligence business studies in  
21 connection with preparation for federal grant and loan applications for  
22 broadband development programs administered by the Federal Communications  
23 Commission, the United States Department of Agriculture, or other federal  
24 agency to spur federally-defined broadband development in rural Arkansas.

25 The provisions of this section shall be in effect only from July 1, ~~2021~~

27 ESTABLISHMENT OF A "GROWTH POOL". (a) The Arkansas Division of Higher  
28 Education shall establish and maintain for the ~~2021-2022~~ 2022-2023 fiscal  
29 year a pool of three hundred (300) nonclassified positions. A position  
30 established under this section shall not exceed the salary rate of the  
31 highest maximum annual salary rate authorized by the General Assembly in the  
32 institution's appropriation act. These positions are to be used by the  
33 University of Arkansas for Medical Sciences in the event that the personal  
34 services needs of the University during the ~~2021-2022~~ 2022-2023 fiscal year  
35 exceed the number of positions allocated to the University by the  
36 Legislature. The University shall provide justification to the Arkansas

1 Division of Higher Education for the need to allocate titles from this  
2 "growth pool". No classifications will be assigned to the pool until such  
3 time as specific positions are requested by the University, approved by the  
4 University Board or their designee, and approved by the Legislative Council  
5 or Joint Budget Committee. Furthermore, the Arkansas Division of Higher

16 Division of Higher Education, and approved by the Legislative Council or  
17 Joint Budget Committee.

18 (b) Determining the number of personnel to be employed by a state agency  
19 is the prerogative of the General Assembly and is usually accomplished by  
20 delineating the maximum number of personnel by identifying the job titles and  
21 the maximum grade or salary attached to those salaries. The General Assembly  
22 has determined that the University of Arkansas for Medical Sciences could be  
23 operated more efficiently if some flexibility is given to that institution.  
24 That flexibility is being accomplished by providing growth pools in  
25 subsection (a) of this section and since the General Assembly has granted the  
26 institution broad powers under the growth pool concept, it is both necessary  
27 and appropriate that the General Assembly maintain oversight of the  
28 utilization of the growth pool by requiring prior approval of the Legislative  
29 Council or Joint Budget Committee in the utilization of the growth pool.  
30 Therefore, the requirement of approval by the Legislative Council or Joint  
31 Budget Committee is not a severable part of this section. If the requirement  
32 of approval by the Legislative Council or Joint Budget Committee is ruled  
33 unconstitutional by a court of competent jurisdiction, this entire section is  
34 void.

35 If the agency requests continuation of a "Growth Pool" position(s) as  
36 established herein during the next fiscal year, the position(s) must be

1 requested as a new position(s) in the agency's budget request.

2 The provisions of this section shall be in effect only from July 1, ~~2021~~  
3 2022 through June 30, ~~2022~~ 2023.

10 with the University of Arkansas for Medical Sciences-Department of Pediatrics  
11 for services required to deliver the programs of the Child Health and Family  
12 Life Institute (CHFLI). Utilizing a multidisciplinary collaboration of  
13 professionals, CHFLI shall provide a statewide effort to explore, develop and  
14 evaluate new and better ways to address medically, socially and economically  
15 interrelated health and developmental needs of children with special health  
16 care needs and their families. CHFLI priorities shall include, but are not  
17 limited to, wellness and prevention, screening and diagnosis, treatment and  
18 intervention, training and education and research and evaluation. Arkansas  
19 Children's Hospital and the University of Arkansas for Medical Sciences-  
20 Department of Pediatrics shall make annual reports to the Arkansas  
21 Legislative Council on all matters of funding, existing programs and services  
22 offered through CHFLI.

5 amounts as are required between the line items made in the appropriation for

10 SECTION 52. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS  
11 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. CLINICAL  
12 EXPANSION AND RESEARCH POOL. (a) In order to address personnel needs emerging  
13 from expanding medical research and patient care issues and the necessity of  
14 recruiting and retaining qualified medical, research, and related support  
15 personnel, the University of Arkansas for Medical Sciences or its successor  
16 is authorized for the ~~2021-2022~~ 2022-2023 fiscal year a pool of seven hundred  
17 (700) "Clinical Expansion and Research Pool" positions. These positions are  
18 to be used by the University of Arkansas for Medical Sciences in the event  
19 that the personal services needs resulting from unanticipated clinical or  
20 research programs that are initiated during the ~~2021-2022~~ 2022-2023 fiscal  
21 year require additional positions, either in title, in classification, or in  
22 number, that are not authorized or contemplated by the General Assembly in  
23 the Regular Salaries - Operations section of this Act.

24 (b) The University of Arkansas for Medical Sciences is authorized to  
25 access the "Clinical Expansion and Research Pool" positions authorized in  
26 this Section at any time during the fiscal year when it is determined by the  
27 Chancellor of the University of Arkansas for Medical Sciences, subject to the  
28 review and approval by the Board of Trustees, that the need for additional  
29 positions exists. Only medical or research positions shall be established  
30 under this provision. The Chancellor of the University of Arkansas for  
31 Medical Sciences shall provide a quarterly report detailing the justification  
32 of allocation of positions from this "Clinical Expansion and Research Pool"  
33 to the Chief Fiscal Officer of the State, to the Arkansas Division of Higher  
34 Education, and to the Arkansas Legislative Council or Joint Budget Committee  
35 for review. The report shall also include an accounting of the names, titles  
36 and salaries of personnel who have been employed in positions established

1 from this pool and the source and duration of funds associated with the  
2 positions.

3 (c) If the University of Arkansas for Medical Sciences requests  
4 continuation of any "Clinical Expansion and Research Pool" position(s) as  
5 established herein during the next fiscal year, the position(s) must be  
6 requested as a new position(s) in the agency's budget request.

7 (d) Determining the number of personnel to be employed by a state agency  
8 is the prerogative of the General Assembly and is usually accomplished by  
9 delineating the maximum number of personnel by identifying job titles and the  
10 maximum grade or salary attached to those titles. The General Assembly has  
11 determined that the University of Arkansas for Medical Sciences could be  
12 operated more efficiently if some flexibility is given to that institution.  
13 That flexibility is being accomplished by providing a position pool in  
14 Subsection (a) of this Section and since the General Assembly has granted the  
15 agency broad powers under the growth pool concept, it is both necessary and  
16 appropriate that the General Assembly maintain oversight of the utilization  
17 of the position pool by requiring review of the Legislative Council or Joint  
18 Budget Committee in the utilization of the position pool. Therefore, the  
19 requirement of review by the Legislative Council or Joint Budget Committee is  
20 not a severable part of this section. If the requirement of review by the  
21 Legislative Council or Joint Budget Committee is ruled unconstitutional by a  
22 court of competent jurisdiction, this entire section is void.

23 The provisions of this section shall be in effect only from July 1, ~~2021~~  
24 2022 through June 30, ~~2022~~ 2023.
