7 the mutual recognition of other Member State licenses;

10 Occupational Therapy Practice;

15 Privilege in that State accountable to that State's practice standards; and

32 5. The Occupational Therapist or the Occupational Therapy Assistant
33 shall pay all applicable fees to the new Home State in order to be issued a
34 new Home State license.

35 C. If an Occupational Therapist or Occupational Therapy Assistant changes

17 SECTION 7. ADVERSE ACTIONS

18 A. A Home State shall have exclusive power to impose Adverse Action against

25 Occupational Therapy Assistant's Compact Privilege within that Member State.

26 2. Issue subpoenas for both hearings and investigations that require
27 the attendance and testimony of witnesses as well as the production of
28 evidence. Subpoenas issued by a Licensing Board in a Member State for the
29 attendance and testimony of witnesses or the production of evidence from
30 another Member State shall be enforced in the latter State by any court of
31 competent jurisdiction, according to the practice and procedure of that court
32 applicable to subpoenas issued in proceedings pending before it. The issuing

34 required by the service statutes of the State in which the witnesses or
35 evidence are located.

13 affected Occupational Therapist or Occupational Therapy Assistant the costs
14 of investigations and disposition of cases resulting from any Adverse Action
15 taken against that Occupational Therapist or Occupational Therapy Assistant.

16 F. A Member State may take Adverse Action based on the factual findings of
17 the Remote State, provided that the Member State follows its own procedures
18 for taking the Adverse Action.

19 G. Joint Investigations

20 1. In addition to the authority granted to a Member State by its
21 respective State Occupational Therapy laws and regulations or other
22 applicable State law, any Member State may participate with other Member
23 States in joint investigations of Licensees.

24 2. Member States shall share any investigative, litigation, or
25 compliance materials in furtherance of any joint or individual investigation
26 initiated under the Compact.

27 H. If an Adverse Action is taken by the Home State against an Occupational
28 Therapist's or Occupational Therapy Assistant's license, the Occupational
29 Therapist's or Occupational Therapy Assistant's Compact Privilege in all
30 other Member States shall be deactivated until all encumbrances have been

34 Therapist's or Occupational Therapy Assistant's Compact Privilege is
35 deactivated in all Member States during the pendency of the order.

36 I. If a Member State takes Adverse Action, it shall promptly notify the

1 administrator of the Data System. The administrator of the Data System shall
2 promptly notify the Home State of any Adverse Actions by Remote States.

14 3. The Commission may levy on and collect an annual assessment from
15 each Member State or impose fees on other parties to cover the cost of the
16 operations and activities of the Commission and its staff, which must be in a
17 total amount sufficient to cover its annual budget as approved by the
18 Commission each year for which revenue is not provided by other sources. The
19 aggregate annual assessment amount shall be allocated based upon a formula to
20 be determined by the Commission, which shall promulgate a Rule binding upon
21 all Member States.

22 4. The Commission shall not incur obligations of any kind prior to
23 securing the funds adequate to meet the same; nor shall the Commission pledge
24 the credit of any of the Member States, except by and with the authority of
25 the Member State.

26 5. The Commission shall keep accurate accounts of all receipts and
27 disbursements. The receipts and disbursements of the Commission shall be
28 subject to the audit and accounting procedures established under its bylaws.
29 However, all receipts and disbursements of funds handled by the Commission
30 shall be audited yearly by a certified or licensed public accountant, and the
31 report of the audit shall be included in and become part of the annual report
32 of the Commission.

33 G. Qualified Immunity, Defense, and Indemnification

34 1. The members, officers, executive director, employees and
35 representatives of the Commission shall be immune from suit and liability,
36 either personally or in their official capacity, for any claim for damage to

1 or loss of property or personal injury or other civil liability caused by or
2 arising out of any actual or alleged act, error or omission that occurred, or
3 that the person against whom the claim is made had a reasonable basis for
4 believing occurred within the scope of Commission employment, duties or
5 responsibilities; provided that nothing in this paragraph shall be construed
6 to protect any such person from suit and/or liability for any damage, loss,
7 injury, or liability caused by the intentional or willful or wanton
8 misconduct of that person.

9 2. The Commission shall defend any member, officer, executive
10 director, employee, or representative of the Commission in any civil action
11 seeking to impose liability arising out of any actual or alleged act, error,
12 or omission that occurred within the scope of Commission employment, duties,
13 or responsibilities, or that the person against whom the claim is made had a
14 reasonable basis for believing occurred within the scope of Commission
15 employment, duties, or responsibilities; provided that nothing herein shall
16 be construed to prohibit that person from retaining his or her own counsel;
17 and provided further, that the actual or alleged act, error, or omission did
18 not result from that person's intentional or willful or wanton misconduct.

19 3. The Commission shall indemnify and hold harmless any member,
20 officer, executive director, employee, or representative of the Commission
21 for the amount of any settlement or judgment obtained against that person
22 arising out of any actual or alleged act, error or omission that occurred
23 within the scope of Commission employment, duties, or responsibilities, or
24 that such person had a reasonable basis for believing occurred within the
25 scope of Commission employment, duties, or responsibilities, provided that
26 the actual or alleged act, error, or omission did not result from the
27 intentional or willful or wanton misconduct of that person.

28
29 SECTION 9. DATA SYSTEM

30 A. The Commission shall provide for the development, maintenance, and
31 utilization of a coordinated database and reporting system containing
32 licensure, Adverse Action, and Investigative Information on all licensed
33 individuals in Member States.

34 B. A Member State shall submit a uniform data set to the Data System on all
35 individuals to whom this Compact is applicable (utilizing a unique
36 identifier) as required by the Rules of the Commission, including:

- 1 1. Identifying information;
- 2 2. Licensure data;
- 3 3. Adverse Actions against a license or Compact Privilege;
- 4 4. Non-confidential information related to Alternative Program
- 5 participation;
- 6 5. Any denial of application for licensure, and the reason(s) for such
- 7 denial;
- 8 6. Other information that may facilitate the administration of this
- 9 Compact, as determined by the Rules of the Commission; and
- 10 7. Current Significant Investigative Information.

11 C. Current Significant Investigative Information and other Investigative
12 Information pertaining to a Licensee in any Member State will only be
13 available to other Member States.

14 D. The Commission shall promptly notify all Member States of any Adverse
15 Action taken against a Licensee or an individual applying for a license.
16 Adverse Action information pertaining to a Licensee in any Member State will
17 be available to any other Member State.

18 E. Member States contributing information to the Data System may designate
19 information that may not be shared with the public without the express
20 permission of the contributing State.

21 F. Any information submitted to the Data System that is subsequently
22 required to be expunged by the laws of the Member State contributing the
23 information shall be removed from the Data System.

24

25 SECTION 10. RULEMAKING

26 A. The Commission shall exercise its Rulemaking powers pursuant to the
27 criteria set forth in this Section and the Rules adopted thereunder. Rules
28 and amendments shall become binding as of the date specified in each Rule or
29 amendment.

30 B. The Commission shall promulgate reasonable rules in order to effectively
31 and efficiently achieve the purposes of the Compact. Notwithstanding the
32 foregoing, in the event the Commission exercises its rulemaking authority in
33 a manner that is beyond the scope of the purposes of the Compact, or the
34 powers granted hereunder, then such an action by the Commission shall be
35 invalid and have no force and effect.

36 C. If a majority of the legislatures of the Member States rejects a Rule, by

1 enactment of a statute or resolution in the same manner used to adopt the
2 Compact within 4 years of the date of adoption of the Rule, then such Rule
3 shall have no further force and effect in any Member State.

4 D. Rules or amendments to the Rules shall be adopted at a regular or special
5 meeting of the Commission.

6 E. Prior to promulgation and adoption of a final Rule or Rules by the
7 Commission, and at least thirty (30) days in advance of the meeting at which
8 the Rule will be considered and voted upon, the Commission shall file a
9 Notice of Proposed Rulemaking:

10 1. On the website of the Commission or other publicly accessible
11 platform; and

12 2. On the website of each Member State Occupational Therapy Licensing
13 Board or other publicly accessible platform or the publication in which each
14 State would otherwise publish proposed Rules.

15 F. The Notice of Proposed Rulemaking shall include:

16 1. The proposed time, date, and location of the meeting in which the
17 Rule will be considered and voted upon;

18 2. The text of the proposed Rule or amendment and the reason for the
19 proposed Rule;

20 3. A request for comments on the proposed Rule from any interested
21 person; and

22 4. The manner in which interested persons may submit notice to the
23 Commission of their intention to attend the public hearing and any written
24 comments.

25 G. Prior to adoption of a proposed Rule, the Commission shall allow persons
26 to submit written data, facts, opinions, and arguments, which shall be made
27 available to the public.

28 H. The Commission shall grant an opportunity for a public hearing before it
29 adopts a Rule or amendment if a hearing is requested by:

30 1. At least twenty five (25) persons;

31 2. A State or federal governmental subdivision or agency; or

32 3. An association or organization having at least twenty five (25)
33 members.

34 I. If a hearing is held on the proposed Rule or amendment, the Commission
35 shall publish the place, time, and date of the scheduled public hearing. If
36 the hearing is held via electronic means, the Commission shall publish the

1 mechanism for access to the electronic hearing.

2 1. All persons wishing to be heard at the hearing shall notify the
3 executive director of the Commission or other designated member in writing of
4 their desire to appear and testify at the hearing not less than five (5)
5 business days before the scheduled date of the hearing.

6 2. Hearings shall be conducted in a manner providing each person who
7 wishes to comment a fair and reasonable opportunity to comment orally or in
8 writing.

9 3. All hearings will be recorded. A copy of the recording will be made
10 available on request.

11 4. Nothing in this section shall be construed as requiring a separate
12 hearing on each Rule. Rules may be grouped for the convenience of the
13 Commission at hearings required by this section.

14 J. Following the scheduled hearing date, or by the close of business on the
15 scheduled hearing date if the hearing was not held, the Commission shall
16 consider all written and oral comments received.

17 K. If no written notice of intent to attend the public hearing by interested
18 parties is received, the Commission may proceed with promulgation of the
19 proposed Rule without a public hearing.

20 L. The Commission shall, by majority vote of all members, take final action
21 on the proposed Rule and shall determine the effective date of the Rule, if
22 any, based on the Rulemaking record and the full text of the Rule.

23 M. Upon determination that an emergency exists, the Commission may consider
24 and adopt an emergency Rule without prior notice, opportunity for comment, or
25 hearing, provided that the usual Rulemaking procedures provided in the
26 Compact and in this section shall be retroactively applied to the Rule as
27 soon as reasonably possible, in no event later than ninety (90) days after
28 the effective date of the Rule. For the purposes of this provision, an
29 emergency Rule is one that must be adopted immediately in order to:

30 1. Meet an imminent threat to public health, safety, or welfare;

31 2. Prevent a loss of Commission or Member State funds;

32 3. Meet a deadline for the promulgation of an administrative Rule that
33 is established by federal law or Rule; or

34 4. Protect public health and safety.

35 N. The Commission or an authorized committee of the Commission may direct
36 revisions to a previously adopted Rule or amendment for purposes of

1 correcting typographical errors, errors in format, errors in consistency, or
2 grammatical errors. Public notice of any revisions shall be posted on the
3 website of the Commission. The revision shall be subject to challenge by any
4 person for a period of thirty (30) days after posting. The revision may be
5 challenged only on grounds that the revision results in a material change to
6 a Rule. A challenge shall be made in writing and delivered to the chair of
7 the Commission prior to the end of the notice period. If no challenge is
8 made, the revision will take effect without further action. If the revision
9 is challenged, the revision may not take effect without the approval of the
10 Commission.

11
12 SECTION 11. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

13 A. Oversight

14 1. The executive, legislative, and judicial branches of State
15 government in each Member State shall enforce this Compact and take all
16 actions necessary and appropriate to effectuate the Compact's purposes and
17 intent. The provisions of this Compact and the Rules promulgated hereunder
18 shall have standing as statutory law.

19 2. All courts shall take judicial notice of the Compact and the Rules
20 in any judicial or administrative proceeding in a Member State pertaining to
21 the subject matter of this Compact which may affect the powers,
22 responsibilities, or actions of the Commission.

23 3. The Commission shall be entitled to receive service of process in
24 any such proceeding, and shall have standing to intervene in such a
25 proceeding for all purposes. Failure to provide service of process to the
26 Commission shall render a judgment or order void as to the Commission, this
27 Compact, or promulgated Rules.

28 B. Default, Technical Assistance, and Termination

29 1. If the Commission determines that a Member State has defaulted in
30 the performance of its obligations or responsibilities under this Compact or
31 the promulgated Rules, the Commission shall:

32 a. Provide written notice to the defaulting State and other
33 Member States of the nature of the default, the proposed means of curing the
34 default and/or any other action to be taken by the Commission; and

35 b. Provide remedial training and specific technical assistance
36 regarding the default.

1 2. If a State in default fails to cure the default, the defaulting
2 State may be terminated from the Compact upon an affirmative vote of a
3 majority of the Member States, and all rights, privileges and benefits
4 conferred by this Compact may be terminated on the effective date of
5 termination. A cure of the default does not relieve the offending State of
6 obligations or liabilities incurred during the period of default.

7 3. Termination of membership in the Compact shall be imposed only
8 after all other means of securing compliance have been exhausted. Notice of
9 intent to suspend or terminate shall be given by the Commission to the
10 governor, the majority and minority leaders of the defaulting State's
11 legislature, and each of the Member States.

12 4. A State that has been terminated is responsible for all
13 assessments, obligations, and liabilities incurred through the effective date
14 of termination, including obligations that extend beyond the effective date
15 of termination.

16 5. The Commission shall not bear any costs related to a State that is
17 found to be in default or that has been terminated from the Compact, unless
18 agreed upon in writing between the Commission and the defaulting State.

19 6. The defaulting State may appeal the action of the Commission by
20 petitioning the U.S. District Court for the District of Columbia or the
21 federal district where the Commission has its principal offices. The
22 prevailing member shall be awarded all costs of such litigation, including
23 reasonable attorney's fees.

24 C. Dispute Resolution

25 1. Upon request by a Member State, the Commission shall attempt to
26 resolve disputes related to the Compact that arise among Member States and
27 between member and non-Member States.

28 2. The Commission shall promulgate a Rule providing for both mediation
29 and binding dispute resolution for disputes as appropriate.

30 D. Enforcement

31 1. The Commission, in the reasonable exercise of its discretion, shall
32 enforce the provisions and Rules of this Compact.

33 2. By majority vote, the Commission may initiate legal action in the
34 United States District Court for the District of Columbia or the federal
35 district where the Commission has its principal offices against a Member
36 State in default to enforce compliance with the provisions of the Compact and

1 its promulgated Rules and bylaws. The relief sought may include both
2 injunctive relief and damages. In the event judicial enforcement is
3 necessary, the prevailing member shall be awarded all costs of such
4 litigation, including reasonable attorney's fees.

5 3. The remedies herein shall not be the exclusive remedies of the
6 Commission. The Commission may pursue any other remedies available under
7 federal or State law.

8
9 SECTION 12. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR
10 OCCUPATIONAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

11 A. The Compact shall come into effect on the date on which the Compact
12 statute is enacted into law in the tenth Member State. The provisions, which
13 become effective at that time, shall be limited to the powers granted to the
14 Commission relating to assembly and the promulgation of Rules. Thereafter,
15 the Commission shall meet and exercise Rulemaking powers necessary to the
16 implementation and administration of the Compact.

17 B. Any State that joins the Compact subsequent to the Commission's initial
18 adoption of the Rules shall be subject to the Rules as they exist on the date
19 on which the Compact becomes law in that State. Any Rule that has been
20 previously adopted by the Commission shall have the full force and effect of
21 law on the day the Compact becomes law in that State.

22 C. Any Member State may withdraw from this Compact by enacting a statute
23 repealing the same.

24 1. A Member State's withdrawal shall not take effect until six (6)
25 months after enactment of the repealing statute.

26 2. Withdrawal shall not affect the continuing requirement of the
27 withdrawing State's Occupational Therapy Licensing Board to comply with the
28 investigative and Adverse Action reporting requirements of this act prior to
29 the effective date of withdrawal.

30 D. Nothing contained in this Compact shall be construed to invalidate or
31 prevent any Occupational Therapy licensure agreement or other cooperative
32 arrangement between a Member State and a non-Member State that does not
33 conflict with the provisions of this Compact.

34 E. This Compact may be amended by the Member States. No amendment to this
35 Compact shall become effective and binding upon any Member State until it is
36 enacted into the laws of all Member States.

1
2 SECTION 13. CONSTRUCTION AND SEVERABILITY

3 This Compact shall be liberally construed so as to effectuate the purposes
4 thereof. The provisions of this Compact shall be severable and if any phrase,
5 clause, sentence or provision of this Compact is declared to be contrary to
6 the constitution of any Member State or of the United States or the
7 applicability thereof to any government, agency, person, or circumstance is
8 held invalid, the validity of the remainder of this Compact and the
9 applicability thereof to any government, agency, person, or circumstance
10 shall not be affected thereby. If this Compact shall be held contrary to the
11 constitution of any Member State, the Compact shall remain in full force and
12 effect as to the remaining Member States and in full force and effect as to
13 the Member State affected as to all severable matters.

14
15 SECTION 14. BINDING EFFECT OF COMPACT AND OTHER LAWS

16 A. A Licensee providing Occupational Therapy in a Remote State under the
17 Compact Privilege shall function within the laws and regulations of the
18 Remote State.

19 B. Nothing herein prevents the enforcement of any other law of a Member
20 State that is not inconsistent with the Compact.

21 C. Any laws in a Member State in conflict with the Compact are superseded to
22 the extent of the conflict.

23 D. Any lawful actions of the Commission, including all Rules and bylaws
24 promulgated by the Commission, are binding upon the Member States.

25 E. All agreements between the Commission and the Member States are binding
26 in accordance with their terms.

27 F. In the event any provision of the Compact exceeds the constitutional
28 limits imposed on the legislature of any Member State, the provision shall be
29 ineffective to the extent of the conflict with the constitutional provision
30 in question in that Member State.

31
32 17-88-402. Administration of compact – Rules.

33 (a) The Arkansas State Medical Board is the Occupational Therapy
34 Licensure Compact administrator for this state.

35 (b) The board may adopt rules that are consistent with the
36 Occupational Therapy Licensure Compact necessary to implement this

1 subchapter.

2 (c) The board is not required to adopt the rules of the Occupational
3 Therapy Licensure Compact Commission for the rules of the Occupational
4 Therapy Licensure Compact Commission to be effective in this state.
