SECTION 1. Arkansas Code Title 6, Chapter 18, Subchapter 2, is amended to add an additional section to read as follows:

(a) This section shall be known and may be cited as the "Support for Pregnant and Parenting Students Act".

   (ii) Custody; and
   (iii) Visitation;

(2)(A) Provide at least ten (10) school days of excused absences for both a parenting mother and a parenting father after the birth of a child.

   (B) The absences required under subdivision (b)(2)(A) of this section shall not count towards the requirement that a public school district or open-enrollment public charter school dismiss or drop from its attendance records a student who is absent from daily attendance for more than ten (10) consecutive school days under § 6-18-213(f).

(3)(A) At the conclusion of a pregnancy-related or parenting-related period of absence, allow a student to make up missed work in a reasonable amount of time that shall not be less than the number of days the student was absent.

   (B) A student may choose from various options to make up missed work, including without limitation:

   (i) Retaking a semester at the public school district or open-enrollment public charter school in which he or she is enrolled;

   (ii) Participating in an online course credit recovery program;

   (iii) Being granted six (6) weeks to continue at the same pace and finish the semester at a later date, provided that the student may:

       (a) Complete his or her coursework within the current school year; or

       (b) Attend previously scheduled summer school classes made available by the public school district or open-enrollment public charter school in which he or she is enrolled; and

   (iv) Receiving home-based instruction services to the extent made available by the public school district or open-enrollment public charter school;

(4) Provide that, for absences or checkouts for reasons listed under subdivision (b)(1) of this section, the following shall be accepted as
validation for the absence or checkout:

(A) Documentation from a student’s physician; or

(B) Permission from a parent, legal guardian, or person standing in loco parentis;

(5)(A) Provide for reasonable accommodations for a lactating student on the public school district or open-enrollment public charter school campus to express breast milk, breastfeed, or address other breastfeeding needs, including without limitation:

(i) Access to a private and secure room other than a restroom to express breast milk or breastfeed a child;

(3) Another private location or location with limited accessibility in which the breast milk may be safely secured;

and

(v) Access to a location to clean a breast pump and any other equipment used to express breast milk at school.

(B) However, this section does not require a public school district or open-enrollment public charter school to provide a lactating student additional excused absences from the school day to breastfeed a child off the public school district or open-enrollment public charter school campus;

(6) Ensure that a lactating student shall be provided a reasonable amount of time to accommodate the need to express breast milk; and

(7) Provide that a student shall not incur an academic penalty as a result of the use, during the school day, of the reasonable accommodations provided under subdivisions (b)(5) and (6) of this section and

(2) If a public high school does not provide child care either on campus or off campus, the public school district associated with the public high school shall adopt a policy that identifies and notifies students of child care providers available to the students.
