8 SECTION 5. Arkansas Code Title 23, Chapter 99, Subchapter 11, is  
9 amended to add additional sections to read as follows:

10 23-99-1120. Initial exemption from prior authorization requirements  
11 for healthcare providers providing certain healthcare services.

12 (a)(1) Except as provided under subdivision (a)(2) of this section,  
13 beginning on and after January 1, 2024, a healthcare provider that received  
14 approval for ninety percent (90%) or more of the healthcare provider's prior  
15 authorization requests based on a review of the healthcare provider's  
16 utilization of the particular healthcare services from January 1, 2022,  
17 through June 30, 2022, shall not be required to obtain prior authorization  
18 for a particular healthcare service and shall be considered exempt from prior  
19 authorization requirements through September 30, 2024.

20 (2) If a healthcare provider's use for a particular healthcare  
21 service increases by twenty-five percent (25%) or more during the initial  
22 period under subdivision (a)(1) of this section, based on a review of the  
23 healthcare provider's utilization of the particular healthcare service from  
24 January 1, 2022, through June 30, 2022, then the healthcare insurer may  
25 disallow the exemption from prior authorization requirements for the  
26 healthcare provider for the particular healthcare service.

27 (b)(1) A healthcare insurer shall conduct an evaluation of the initial  
28 six-month exemption period based on claims submitted between January 1, 2024,  
29 through June 30, 2024, to determine whether to grant or deny an exemption for  
30 each particular healthcare service that requires a prior authorization by the  
31 healthcare insurer.

32 (2) The evaluation by the healthcare insurer shall be conducted  
33 by using the retrospective review process under § 23-99-1122(c) and applying  
34 the criteria under subsection (d) of this section.

35 (3) A healthcare insurer shall submit to a healthcare provider a  
36 written statement of:

1                   (A) The total number of payable claims submitted by or in  
2 connection with the healthcare provider; and

3                   (B) The total number of denied and approved prior  
4 authorizations between January 1, 2022, through June 30, 2022.

5                   (c)(1) No later than October 1, 2024, a healthcare insurer shall issue  
6 a notice to each healthcare provider that is credentialed by the healthcare  
7 insurer under § 23-99-411 that either grants or denies a prior authorization  
8 exemption to the healthcare provider for each particular healthcare service.

9                   (2) An exemption granted under this subdivision (c)(1) shall be  
10 valid for at least twelve (12) months.

11                   (d) Except as provided under subsection (f) of this section or § 23-  
12 99-1125, a healthcare insurer that uses a prior authorization process for  
13 healthcare services shall not require a healthcare provider to obtain prior  
14 authorization for a particular healthcare service that a healthcare provider  
15 has previously been subject to a prior authorization requirement if, in the  
16 most recent six-month evaluation period as described under subsection (e) of  
17 this section, the healthcare insurer has approved or would have approved no  
18 less than ninety percent (90%) of the prior authorization requests submitted  
19 by the healthcare provider for that particular healthcare service.

20                   (e)(1) Except as provided under subsection (f) of this section, a  
21 healthcare insurer shall evaluate whether or not a healthcare provider  
22 qualifies for an exemption from prior authorization requirements under  
23 subsection (d) of this section one (1) time every twelve (12) months.

24                   (2) The six-month period for the evaluation period described  
25 under subsection (d) of this section shall be any consecutive six (6) month  
26 period during the twelve (12) months following the effective date of the  
27 exemption.

28                   (3) The healthcare insurer shall choose a six-month evaluation  
29 period that allows time for:

30                   (A) The evaluation under subsection (b) of this section;

31                   (B) Notice to the healthcare provider of the decision; and

32                   (C) Appeal of the decision for an independent review in  
33 arbitration to be completed by the end of the twelve-month period of the  
34 exemption.

35                   (f) A healthcare insurer may continue an exemption under subsection  
36 (d) of this section without evaluating whether or not the healthcare provider

1 qualifies for the exemption under subsection (d) of this section for a  
2 particular evaluation period.

3 (g) A healthcare provider is not required to request an exemption  
4 under subsection (d) of this section to qualify for the exemption.

5 (h) A healthcare insurer may extend an exemption under subsection (d)  
6 of this section to a group of healthcare providers under the same tax  
7 identification number if:

8 (1) A healthcare provider with an ownership stake in the tax  
9 identification number does not object; or

10 (2) The tax identification number is associated with a hospital  
11 licensed in this state and the chief executive officer of the hospital agrees  
12 to the exemption.

13  
14 23-99-1121. Duration of prior authorization exemption.

15 (a) Unless a prior authorization exemption is continued for a longer  
16 period of time by a healthcare insurer under § 23-99-1120(f), a healthcare  
17 provider's exemption from prior authorization requirements under § 23-99-1120  
18 remains in effect until the later of:

19 (1) The thirtieth day after the date the healthcare insurer  
20 notifies the healthcare provider of the healthcare insurer's determination to  
21 rescind the exemption as described under § 23-99-1122, if the healthcare  
22 provider does not appeal the healthcare insurer's determination;

23 (2) If the healthcare provider appeals the determination, the  
24 fifth day after the date an independent review organization affirms the  
25 healthcare insurer's determination to rescind the exemption; or

26 (3) Twelve (12) months after the effective date of the  
27 exemption.

28 (b) If a healthcare insurer does not finalize a rescission  
29 determination as specified in subsection (a) of this section, then the  
30 healthcare provider is considered to have met the criteria under § 23-99-1120  
31 to continue to qualify for the exemption.

32 (c) A healthcare provider shall not rely on another healthcare  
33 provider's exemption except when the healthcare provider with an exemption is  
34 the healthcare provider that orders healthcare services that are rendered by  
35 a healthcare provider without an exemption.

36

1 23-99-1122. Denial or rescission of prior authorization exemption.

2 (a) A healthcare insurer may rescind an exemption from prior  
3 authorization requirements of a healthcare provider under § 23-99-1120 only  
4 if:

5 (1) The healthcare insurer makes a determination that, on the  
6 basis of a retrospective review of a random sample of claims selected by the  
7 healthcare insurer during the most recent evaluation period described by §  
8 23-99-1120(e), less than ninety percent (90%) of the claims for the  
9 particular healthcare service met the medical necessity criteria that would  
10 have been used by the healthcare insurer when conducting prior authorization  
11 review for the particular healthcare service during the relevant evaluation  
12 period;

13 (2) The healthcare insurer complies with other applicable  
14 requirements specified in this section, including without limitation:

15 (A) Notifying the healthcare provider no less than twenty-  
16 five (25) days before the proposed rescission is to take effect; and

17 (B) Providing:

18 (i) An identification of the healthcare service that  
19 an exemption is being rescinded, the date the notice is issued, and the  
20 effective date of the rescission;

21 (ii) A plain-language explanation of how the  
22 healthcare provider may appeal and seek an independent review of the  
23 determination, the date the notice is issued, and the company's address and  
24 contact information for returning the form by mail or email to request an  
25 appeal;

26 (iii) A statement of the total number of payable  
27 claims submitted by or in connection with the healthcare provider during the  
28 most recent evaluation period that were eligible to be evaluated with respect  
29 to the healthcare service subject to rescission, the number of claims  
30 included in the random sample, and the sample information used to make the  
31 determination, including without limitation:

32 (a) Identification of each claim included in  
33 the random sample;

34 (b) The healthcare insurer's determination of  
35 whether each claim met the healthcare insurer's screening criteria; and

36 (c) For any claim determined to not have met

1 the healthcare insurer's screening criteria:

2 (1) The principal reasons for the  
3 determination that the claim did not meet the healthcare insurer's screening  
4 criteria, including, if applicable, a statement that the determination was  
5 based on a failure to submit specified medical records;

6 (2) The clinical basis for the  
7 determination that the claim did not meet the healthcare insurer's screening  
8 criteria;

9 (3) A description of the sources of the  
10 screening criteria that were used as guidelines in making the determination;  
11 and

12 (4) The professional specialty of the  
13 healthcare provider who made the determination;

14 (iv) A space to be filled out by the healthcare  
15 provider that includes:

16 (a) The name, address, contact information,  
17 and identification number of the healthcare provider requesting an  
18 independent review;

19 (b) An indication of whether or not the  
20 healthcare provider is requesting that the entity performing the independent  
21 review examine the same random sample or a different random sample of claims,  
22 if available; and

23 (c) The date the appeal is being requested;  
24 and

25 (v) An instruction to the healthcare provider to  
26 return the form to the healthcare insurer before the date the rescission  
27 becomes effective; and

28 (3) The healthcare provider performs five (5) or fewer of a  
29 particular healthcare service in the most recent six-month evaluation period  
30 under § 23-99-1120(e).

31 (b) A determination made under subdivision (a)(1) of this section  
32 shall be made by a physician who:

33 (1) Possesses a current and unrestricted license to practice  
34 medicine in this state; and

35 (2) Has the same or similar specialty as the healthcare  
36 provider.

1 (c)(1) A healthcare insurer that is conducting an evaluation under  
2 subsection (a) of this section to determine whether or not a healthcare  
3 provider still qualifies for a prior authorization exemption may request  
4 medical records and documents required for the retrospective review, limited  
5 to no more than twenty (20) claims for a particular healthcare service.

6 (2) A healthcare insurer shall provide a healthcare provider at  
7 least thirty (30) days to provide the medical records requested under  
8 subdivision (c)(1) of this section.

9 (d) A healthcare insurer may deny an exemption from prior  
10 authorization requirements under § 23-99-1120 only if:

11 (1) The healthcare provider does not have an exemption at the  
12 time of the relevant evaluation period; and

13 (2) The healthcare insurer provides the healthcare provider  
14 with:

15 (A) Actual data for the relevant prior authorization  
16 request evaluation period; and

17 (B) Detailed information sufficient to demonstrate that  
18 the healthcare provider does not meet the criteria for an exemption from  
19 prior authorization requirements for the particular healthcare service under  
20 § 23-99-1120.

21 (e) A healthcare insurer shall:

22 (1) Allow a healthcare provider to designate an email address or  
23 a mailing address for communications regarding exemptions, denials, and  
24 rescissions;

25 (2) Provide an option for a healthcare provider to submit a  
26 request for an appeal by mail, by email, or by other electronic method; and

27 (3) Include an explanation of how a healthcare provider may  
28 update his or her preferred contact information and delivery method on the  
29 healthcare insurer's website and for all communications issued under this  
30 section.

31  
32 23-99-1123. Independent review of exemption determination.

33 (a)(1) A healthcare provider has a right to a review of an adverse  
34 determination regarding a prior authorization exemption within twelve (12)  
35 months of receiving proper notice of rescission from a healthcare insurer to  
36 be conducted by an independent review organization.

1 (2) A healthcare insurer shall not require a healthcare provider  
2 to engage in an internal appeal process before requesting a review by an  
3 independent review organization under this section.

4 (3) A healthcare provider who has an exemption rescinded due to  
5 a failure to provide medical records within sixty (60) days of a record  
6 request for a retrospective review shall not be eligible for review of that  
7 rescission by an independent review entity.

8 (b) A healthcare insurer shall pay:

9 (1) For any appeal or independent review of an adverse  
10 determination regarding a prior authorization exemption requested under this  
11 section; and

12 (2) A reasonable fee determined by the Arkansas State Medical  
13 Board for any copies of medical records or other documents requested from a  
14 healthcare provider during an exemption rescission review requested under  
15 this section.

16 (c) An independent review organization shall complete an expedited  
17 review of an adverse determination regarding a prior authorization exemption  
18 no later than the thirtieth day after the date a healthcare provider files  
19 the request for a review under this section.

20 (d)(1) A healthcare provider may request that the independent review  
21 organization consider another random sample of no fewer than five (5) and no  
22 more than twenty (20) claims submitted to the healthcare insurer by the  
23 healthcare provider during the relevant evaluation period for the relevant  
24 healthcare service as part of the review under this section.

25 (2) If a healthcare provider makes a request under subdivision  
26 (d)(1) of this section, the independent review organization shall base its  
27 determination on the medical necessity of claims reviewed:

28 (A) By the healthcare insurer under § 23-99-1122; and

29 (B) By the independent review organization under  
30 subdivision (d)(1) of this section.

31 (e) The Insurance Commissioner may refuse, suspend, revoke, or not  
32 renew a license or certificate of authority of a healthcare insurer that has  
33 fifty percent (50%) of healthcare provider appeals overturned in a twelve-  
34 month period by an independent review organization under this section.

35  
36 23-99-1124. Effect of appeal of independent review organization

1 determination.

2 (a) A healthcare insurer is bound by an appeal or independent review  
3 organization determination that does not affirm the determination made by the  
4 healthcare insurer to rescind a prior authorization exemption.

5 (b) A healthcare insurer shall not retroactively deny a healthcare  
6 service on the basis of a rescission of an exemption, even if the healthcare  
7 insurer's determination to rescind the prior authorization exemption is  
8 affirmed by an independent review organization.

9 (c) If a determination of a prior authorization exemption made by the  
10 healthcare insurer is overturned on review by an independent review  
11 organization, the healthcare insurer:

12 (1) Shall not attempt to rescind the exemption before the end of  
13 the next evaluation period; and

14 (2) May only rescind the exemption if the healthcare insurer  
15 complies with §§ 23-99-1122 and 23-99-1123.

16

17 23-99-1125. Eligibility for prior authorization exemption following  
18 finalized exemption rescission or denial.

19 (a) After a final determination or review affirming the rescission or  
20 denial of an exemption for a specific healthcare service under § 23-99-1120,  
21 a healthcare insurer shall conduct another evaluation to determine whether or  
22 not the exemption should be granted or reinstated based on the six-month  
23 evaluation period that follows the evaluation period that formed the basis of  
24 the rescission or denial of an exemption.

25 (b) A time period that is included in a previous evaluation or  
26 determination period shall not be included in a subsequent evaluation period.

27

28 23-99-1126. Effect of prior authorization exemption.

29 (a) A healthcare insurer shall not deny or reduce payment to a  
30 healthcare provider for a healthcare service for which the healthcare  
31 provider has qualified for an exemption from prior authorization requirements  
32 under § 23-99-1120, including a healthcare service performed or supervised by  
33 another healthcare provider, if the healthcare provider who ordered the  
34 healthcare service received a prior authorization exemption based on medical  
35 necessity or appropriateness of care unless the healthcare provider:

36

(1) Knowingly and materially misrepresented the healthcare

1 service in a request for payment submitted to the healthcare insurer with the  
2 specific intent to deceive the healthcare insurer and obtain an unlawful  
3 payment from the healthcare insurer; or

4 (2) Substantially failed to perform the healthcare service.

5 (b) A healthcare insurer shall not conduct a retrospective review of a  
6 healthcare service subject to an exemption except to determine if:

7 (1) The healthcare provider still qualifies for an exemption  
8 under § 23-99-1120; or

9 (2) The healthcare insurer has a reasonable cause to suspect a  
10 basis for denial exists under subsection (a) of this section.

11 (c) For a retrospective review described by subdivision (b)(2) of this  
12 section, §§ 23-99-1120 – 23-99-1125 shall not modify or otherwise affect:

13 (1) The requirements under or application of § 23-99-1115,  
14 including without limitation any time frames; or

15 (2) Any other applicable law, except to prescribe the only  
16 circumstances under which:

17 (A) A retrospective review may occur as specified by  
18 subdivision (b)(2) of this section; or

19 (B) Payment may be denied or reduced as specified by  
20 subsection (a) of this section.

21 (d) Beginning on January 1, 2024, a healthcare insurer shall provide  
22 to a healthcare provider a notice that includes a:

23 (1) Statement that the healthcare provider has an exemption from  
24 prior authorization requirements under § 23-99-1120;

25 (2) List of the healthcare services and health benefit plans to  
26 which the exemption applies; and

27 (3) Statement of the duration of the exemption.

28 (e) If a healthcare provider submits a prior authorization request for  
29 a healthcare service for which the healthcare provider has an exemption from  
30 prior authorization requirements under § 23-99-1120, the healthcare insurer  
31 shall promptly provide a notice to the healthcare provider that includes:

32 (1) The information described in subsection (d) of this section;  
33 and

34 (2) A notification of the healthcare insurer's payment  
35 requirements.

36 (f) This section and §§ 23-99-1120 – 23-99-1125 shall not be construed

1 to:

2 (1) Authorize a healthcare provider to provide a healthcare  
3 service outside the scope of the healthcare provider's applicable license; or

4 (2) Require a healthcare insurer to pay for a healthcare service  
5 described by subdivision (f)(1) of this section that is performed in  
6 violation of the laws of this state.

7 (g) A healthcare insurer that offers multiple health benefit plans or  
8 that utilizes multiple healthcare provider networks shall not determine a  
9 healthcare provider's eligibility for an exemption from prior authorization  
10 for each specific health benefit plan or each specific healthcare provider  
11 network but rather shall determine the healthcare provider's eligibility for  
12 an exemption applicable to all health benefit plans and healthcare provider  
13 networks.

14 (h) If a healthcare insurer and a healthcare provider are engaged in a  
15 value-based reimbursement arrangement for particular healthcare services or  
16 subscribers, the healthcare insurer shall not impose any prior authorization  
17 requirements for any particular healthcare service that is included in that  
18 value-based reimbursement arrangement.

19  
20 23-99-1127. Applicability.
