27 SECTION 1. Arkansas Code Title 25, Chapter 1, is amended to add an  
28 additional subchapter to read as follows:

### Subchapter 10 – Prohibited Actions

#### 25-1-1001. Legislative findings.

#### The General Assembly finds that:

33 (1) The Communist Party of China's authoritarian governance over  
34 the People's Republic of China includes extensive and continuing efforts to  
35 destroy any meaningful distinction between the Communist Party of China, the  
36 People's Republic of China state, and commercial entities in the People's

1 Republic of China;

2 (2) The People's Republic of China's commercial entities are an  
3 intrinsic part of Communist Party of China malignant activities globally,  
4 which include the Communist Party of China's human rights abuses, military-  
5 civil fusion efforts, and military expansion;

6 (3) Dealings with commercial entities of the People's Republic  
7 of China are less likely to be commercially sound because such entities are  
8 likely acting on noncommercial motivations and carry an increased political  
9 risk;

10 (4) While a commercial entity of the People's Republic of China  
11 is not beyond the reach of the Communist Party of China, the People's  
12 Republic of China's state-owned entities present heightened concerns of  
13 commercial soundness;

14 (5) Dealings with commercial entities of the People's Republic  
15 of China, and especially state-owned entities, threaten Arkansas security,  
16 including by making accessible to the Communist Party of China and People's  
17 Republic of China government information about the structure, operations,  
18 resources, and infrastructure of the government of Arkansas; and

19 (6) Dealings with commercial entities of the People's Republic  
20 of China, and especially state-owned entities, threaten the privacy and  
21 security of residents of Arkansas, to the extent that they involve the  
22 personal information of such residents.

23
