The positive Lite the states and	36	neutral to the state;		TIVES and De COST

1	(5) Other states have implemented the use of authorized		
2	prescription digital therapeutics which has benefited the needs of impacted		
3	people with a cost neutral alternative to traditional treatment.		
4	(b) As used in this section, "authorized prescription digital		
5	therapeutic" means a product, device, internet application, or other		
6	technology which:		
7	(1) Is intended to prevent, manage, or treat a medical disease,		
8	condition, or disorder;		
9	(2) Is approved, cleared, or classified by the United States		
10	Food and Drug Administration under section 510(k), 513(f), or 515 of the		
11	Federal Food, Drug, and Cosmetic Act, 21 U.S.C. § 301 et seq., for such		
12	intended use;		
13	(3) Utilizes both cognitive behavioral therapy and contingency		
14	management to treat substance use disorder and opioid use disorder; and		
15	(4) Requires a prescription under 21 C.F.R. § 801.109, as		
16	existing on January 1, 2023, or any successor regulation.		
17	(c) The Arkansas Medicaid Program shall provide coverage for		
18	authorized prescription digital therapeutics for the treatment of an		
19	individual if that individual is eligible by a licensed provider in the state		
20	to receive treatment of authorized prescription digital therapeutics.
