19 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
20

21 SECTION 1. DO NOT CODIFY. Legislative findings.

22 The General Assembly finds that:

23 (1) Arkansas Constitution, Article 2, § 2, establishes that "All
24 men are created equally free and independent, and have certain inherent an
25 inalienable rights; amongst which are those of enjoying and defending life
26 and liberty, of acquiring, possessing and protecting property, and
27 reputation; and of pursuing their own happiness";

28 (2) Furthermore, Arkansas Constitution, Article 2, § 21,
29 establishes that "No person shall be taken, or imprisoned, or disseized of
30 his estate, freehold, liberties or privileges; or outlawed, or in any manner
31 destroyed, or deprived of his life, liberty or property except by the
32 judgment of his peers, or the law of the land; nor shall any person, under
33 any circumstances, be exiled from the State";

34 (3) Arkansans have a constitutional right to use their property
35 without intrusion by the government;

36 (4) Short-term rentals are vital to the tourism and

1 marketability of the State; and

2 (5) Local governments often hold back tourism and infringe on
3 property owners' private property rights in this state by passing ordinances
4 that inhibit property owners' right to use their property as they see fit.
