22 (B) Decisions concerning supervision of offenders shall
23 target the offender's criminal risk factors with appropriate supervision and
24 treatment.

25 (4) The Division of Community Correction shall assume
26 supervisory responsibilities over an offender when the offender is lawfully
27 set at liberty from the Division of Correction.

28 (b)(1) An offender assigned to a term of post-release supervision
29 shall be supervised by a community supervision officer employed by the
30 Division of Community Correction.

2 conditions of post-release supervision or risk revocation under § 16-93-1908;

3 (C) Develop a case plan for each offender who is
4 determined to be a moderate-risk or high risk to reoffend that:

5 (i) Is based on the risk and needs assessment under

7 needs assessment;

8 (ii) Is responsive to the individual characteristics
9 of the offender; and

10 (iii) Provides a strategy for the supervision of the
11 offender according to that case plan;

12 (D) Stay informed of the conduct and condition of each

24 the offender on post-release supervision, including without limitation
25 criminal risk factors and specific individual needs.

1 risk and high-risk offenders as determined by the validated risk and needs
2 assessment provided under this section.

3 (2) The Division of Community Correction shall require public
4 and private treatment and service providers to use evidence-based programs
5 and practices if the public and private treatment and service providers
6 receive state funds for the treatment of or service of offenders on post-
7 release supervision.

8
9 16-93-1907. Post-release supervision – Administrative sanctions.

10 (a)(1)(A) The Division of Community Correction may sanction offenders
11 on post-release supervision administratively without utilizing the revocation
12 process under § 16-93-1908.

13 (B) An administrative sanction as described in subdivision
14 (a)(1)(A) of this section is an intermediate sanction and is not a revocation
15 of post-release supervision.

16 (2)(A) The Division of Community Correction shall develop an
17 intermediate sanctions procedure and an intermediate sanctions grid to guide
18 a community supervision officer in determining the appropriate response to a
19 violation of the conditions of supervision.

20 (B) Intermediate sanctions administered by the Division of
21 Community Correction shall conform to the intermediate sanctions grid.

22 (C) The intermediate sanctions grid shall include:

23 (i) An assignment of point values to commonly
24 occurring violations of terms of post-release supervision or criminal
25 behavior;

26 (ii) An assignment of point values to behaviors that
27 decrease the likelihood of recidivism including without limitation:

28 (a) Education;

29 (b) Workforce development;

30 (c) Community service; and

31 (d) Behavioral health programming;

32 (iii) Details on the mechanisms by which points are
33 accumulated and reduced; and

34 (iv) Guidance on which intermediate sanctions should
35 be applied at which points thresholds.

36 (3) Intermediate sanctions shall include without limitation:

1 (A) Community service;

2 (B) Increased substance abuse screening and treatment;

3 (C) Increased monitoring, including electronic monitoring
4 and home confinement; and

5 (D)(i) Incarceration in a county or regional jail for no
6 more than seven (7) days or incarceration in a Division of Correction
7 facility or a Division of Community Correction facility for no more than
8 ninety (90) days.

9 (ii)(a) Incarceration as an intermediate sanction
10 shall not be used more than six (6) times with an offender on post-release
11 supervision.

12 (b) If an offender on post-release supervision
13 accumulates no more than thirty (30) days' incarceration in a county or
14 regional jail or more than three hundred sixty (360) days' incarceration in a
15 Division of Correction facility or a Division of Community Correction
16 facility as an intermediate sanction, the community supervision officer shall
17 recommend a revocation of the offender's post-release supervision under § 16-
18 93-1908.

19 (c) An offender shall not be incarcerated more
20 than two (2) times as a result of an intermediate sanction in a Division of
21 Correction facility during any two (2) year period.

22 (4) The Division of Community Correction shall:

23 (A) Notify the Post-Prison Transfer Board in writing when
24 an offender has been incarcerated due to an intermediate sanction under this
25 subsection;

26 (B) Include an explanation of the cause for incarceration;
27 and

28 (C) Include the result of the intermediate sanction, if
29 applicable.

30 (b) Any time in custody for which the offender on post-release
31 supervision is held, before a period of incarceration under this section is
32 administered, does not count as a period of incarceration ordered toward the
33 total accumulation of days of incarceration as stated in subsection (a) of
34 this section.

35 (c) A period of incarceration under this section:

36 (1) May be reduced by the Division of Correction for good

1 behavior and successful program completion; and

2 (2) Shall not be reduced under this section for more than fifty
3 percent (50%) of the total time of incarceration ordered to be served.

4 (d)(1) An offender subject to an intermediate sanction under
5 subsection (a) of this section does not have the right to an attorney at the
6 intermediate sanction hearing.

7 (2) This subsection does not prohibit an offender from
8 conferring with a privately retained attorney during the intermediate
9 sanction process.

10
11 16-93-1908. Revocation of post-release supervision.

12 (a)(1)(A) At any time during an offender's post-release supervision,
13 the Post-Prison Transfer Board may issue a warrant for the arrest of the
14 offender for violation of any of the conditions of post-release supervision
15 or may issue a notice to appear to answer a charge of a violation.

16 (B)(i) The board shall issue a warrant for the arrest of
17 an offender on post-release supervision if the board determines that the
18 offender has been charged with a felony ineligible to receive earned release
19 credits or a restricted release felony, as defined in § 16-93-1802.

20 (ii) An offender arrested on a warrant issued under
21 subdivision (a)(1)(B)(i) of this section shall be detained pending a
22 mandatory post-release supervision hearing.

23 (C) The Division of Community Correction shall provide the
24 information necessary for the board to issue a warrant under this subdivision
25 (a)(1).

26 (2) A warrant or notice issued under subdivision (a)(1) of this
27 section shall be served personally upon the offender.

28 (3) A warrant issued under subdivision (a)(1) of this section
29 shall authorize all officers named in the warrant to place the offender in
30 custody at any suitable detention facility pending a hearing.

31 (4) A community supervision officer may arrest an offender on
32 post-release supervision without a warrant by giving him or her a written
33 statement stating that the offender, in the judgment of the community
34 supervision officer, violated the conditions of his or her post-release
35 supervision.

36 (5) A written statement under subdivision (a)(4) of this section

1 delivered by the arresting community supervision officer with the offender to
2 the official in charge of the detention facility to which the offender is
3 brought is sufficient for detaining the offender pending disposition.

4 (6) If the board or its designee finds, by a preponderance of
5 the evidence, that the offender has inexcusably failed to comply with a
6 condition of his or her post-release supervision, the post-release
7 supervision may be revoked at any time before the expiration of the period of
8 post-release supervision.

9 (7) An offender serving on post-release supervision for whose
10 return a warrant has been issued by the board under this subsection shall be
11 deemed a fugitive from justice if it is found that the warrant cannot be
12 served.

13 (b)(1) An offender transferred to or serving on post-release
14 supervision shall be entitled to a preliminary hearing to determine whether
15 there is reasonable cause to believe that the offender has violated a
16 condition of his or her post-release supervision.

17 (2) A preliminary hearing conducted under subdivision (b)(1) of
18 this section shall be scheduled within seven (7) days after arrest or within
19 seven (7) days after notice is served and shall be conducted within fourteen
20 (14) days after arrest or service of notice to appear, excluding a weekend,
21 holiday, or delay caused by an act of nature, by the revocation hearing judge
22 for the board and at a location reasonably near the place of the alleged
23 violation or the arrest.

24 (3) The offender shall be given notice of the date, time, and
25 location of the preliminary hearing and the conditions of post-release
26 supervision that the offender is alleged to have violated.

27 (4) Except as provided in subsection (d) of this section, the
28 offender has the right to hear and controvert evidence against him or her, to
29 offer evidence on his or her own behalf, and to be represented by counsel at
30 the preliminary hearing.

31 (5) If a revocation hearing judge finds after the preliminary
32 hearing that there is reasonable cause to believe that an offender has
33 violated a condition of post-release supervision by committing a felony
34 ineligible to receive earned release credits or a restricted release felony,
35 as defined in § 16-93-1802, the revocation hearing judge shall order the
36 offender be returned to the nearest facility of the Division of Correction or

1 the Division of Community Correction where he or she shall be placed in
2 custody for a revocation hearing before the board.

3 (6) If a revocation hearing judge finds after the preliminary
4 hearing that there is reasonable cause to believe that an offender has
5 violated a condition of post-release supervision other than the commission of
6 a felony ineligible to receive earned release credits or a restricted release
7 felony, as defined in § 16-93-1802, the revocation hearing judge shall:

8 (A) Order the offender be returned to the nearest facility
9 of the Division of Correction or the Division of Community Correction where
10 he or she shall be placed in custody for a revocation hearing before the
11 board; or

12 (B) Return the offender to post-release supervision with
13 or without additional supervision conditions in response to the violating
14 conduct.

15 (7)(A) If a revocation hearing judge does not find after the
16 preliminary hearing reasonable cause to believe that an offender has violated
17 a condition of post-release supervision, he or she shall order the offender
18 be released from custody.

19 (B) An order to release the offender from custody under
20 subdivision (b)(7) of this section does not bar the board from holding a
21 revocation hearing on the alleged violation of a condition of post-release
22 supervision or from ordering the offender to appear before the board.

23 (8) A revocation hearing judge shall prepare and furnish to the
24 board and the offender a summary of the preliminary hearing proceedings,
25 including without limitation the substance of the evidence and testimony
26 considered along with his or her finding and order, within twenty-one (21)
27 days from the date of the preliminary hearing, excluding a weekend, holiday,
28 or delay caused by an act of nature.

29 (c)(1)(A) Unless a revocation hearing is knowingly and intelligently
30 waived by the offender, transfer to post-release supervision shall not be
31 revoked except after a revocation hearing, which shall be conducted by the
32 board or its designee within a reasonable period after the offender's arrest
33 or service of notice to appear.

34 (B) If a waiver is granted under subdivision (c)(1)(A) of
35 this section, the offender may subsequently appeal the waiver to the board.

36 (2) An offender shall be given notice of the date, time, and

1 location of the revocation hearing, the purpose of the revocation hearing,
2 and the conditions of supervision he or she is alleged to have violated.

3 (3) Except as provided in subsection (d) of this section, the
4 offender has the right to hear and controvert evidence against him or her, to
5 offer evidence in his or her own defense, and to be represented by counsel at
6 the revocation hearing.

7 (4) If post-release supervision is revoked after a revocation
8 hearing, the board or its designee shall prepare and furnish to the offender
9 a statement of evidence relied on and the reasons for revoking the post-
10 release supervision.

11 (d) At a preliminary hearing under subsection (b) of this section or a
12 revocation hearing under subsection (c) of this section:

13 (1) The offender has the right to confront and cross-examine
14 adverse witnesses unless the revocation hearing judge, the board, or the
15 designee of the board specifically finds good cause for not allowing
16 confrontation and cross-examination; and

17 (2) The offender may introduce any relevant evidence of the
18 alleged violation, including without limitation letters, affidavits, and
19 other documentary evidence, regardless of the admissibility of the evidence
20 under the rules governing the admission of evidence.

21 (e)(1) A preliminary hearing under subsection (b) of this section is
22 not required if the offender knowingly and intelligently waives the
23 preliminary hearing.

24 (2) If the preliminary hearing is not waived by the offender
25 under subsection (c) of this section, the revocation hearing shall be held
26 within fourteen (14) days after the arrest and reasonably near the place
27 where the alleged violation occurred or where the offender was arrested.

28 (f) A preliminary hearing under subsection (b) of this section and a
29 revocation hearing under subsection (c) of this section is not required if
30 the revocation is based on the offender's conviction of a felony offense for
31 which he or she is sentenced to the Division of Correction or to any other
32 state or federal correctional institution.

33 (g) An offender may be held in a county or regional jail while
34 awaiting a revocation hearing and the ruling of the board or its designee
35 under this section.

36 (h) An offender whose post-release supervision is revoked under this

1 section due to a technical conditions violation or serious conditions
2 violation and who is sentenced to any period of incarceration resulting from
3 the revocation is subject to the periods of incarceration provided in § 16-
4 93-1907.

5 (i) Upon revocation under this section, an offender subject to a term
6 of post-release supervision for a felony ineligible to receive earned release
7 credits or a restricted release felony shall return to incarceration for the
8 entire remaining period of imprisonment or post-release supervision assessed
9 by the sentencing court.

10
11 16-93-1909. Subpoena of witnesses and documents for revocation of
12 post-release supervision.

13 (a)(1) The following persons have the power to issue oaths, subpoena
14 witnesses to appear, and subpoena the production of any relevant books,

21 preliminary hearing concerning an alleged violation of the conditions of
22 post-release supervision.

23 (2)(A) A subpoena issued under this section shall be:

27 (ii) Served and returned in the same manner as
28 subpoenas in civil actions in the circuit courts.

29 (B) An endorsed affidavit on a subpoena of a person
30 eighteen (18) years of age or older is proof of service of the subpoena.

31 (b) The fees and mileage expenses prescribed by law for witnesses in
32 civil cases shall be paid by the Division of Correction for any witness
33 subpoenaed to appear under this section.

34 (c)(1) If a person fails or refuses to comply with a subpoena issued
35 under this section to testify or answer to any matter regarding which the
36 person may be lawfully interrogated, a circuit court in this state, on

1 application of hearing officer or the chair, shall issue an attachment for
2 the person and compel him or her to comply with the subpoena and appear
3 before the revocation hearing judge or the board and produce any testimony or
4 documents as may be required.

5 (2)(A) The circuit court shall have the same power to punish any
6 contempt, in case of disobedience, as in civil cases.

7 (B) It is a criminal violation for a witness to refuse or
8 neglect to appear and testify, punishable upon conviction by a fine of not
9 less than fifty dollars (\$50.00) nor more than five hundred dollars (\$500).

10 (d) A person knowingly testifying falsely under oath before the board
11 or at a preliminary hearing in which probable cause for revocation of
12 transfer to post-release supervision is to be considered as to any matter
13 material to lawful inquiry by the board or revocation hearing judge may be
14 charged with perjury.

15
16 16-93-1910. Prohibition on sex offenders residing with minors.

17 (a)(1) Except as specified in subdivision (a)(2) of this section, the
18 Post-Prison Transfer Board shall prohibit, as a condition of granting
19 transfer to post-release supervision, an offender from residing in a
20 residence with a minor, if the offender was convicted of one (1) or more of
21 the following offenses perpetrated against a minor:

22 (A) A sexual offense as defined in § 5-14-101 et seq.;

23 (B) Incest, § 5-26-202; or

24 (C) An offense under the Arkansas Protection of Children
25 Against Exploitation Act of 1979, § 5-27-301 et seq.

26 (2) The board may permit an offender to reside in a residence
27 with a minor if the board finds that the offender no longer poses a danger to
28 any minor residing in the residence.

29 (b) If the board, upon a hearing under § 16-93-1908, finds by a
30 preponderance of the evidence that the offender has failed to comply with a
31 condition of post-release supervision, the post-release supervision may be
32 revoked and the offender returned to the custody of the Division of
33 Correction.

34
35 16-93-1911. Rules.

36 The Post-Prison Transfer Board shall adopt rules to implement this

36 (A) The implementation of this act involves a multitude of

1 changes to existing Arkansas law;

2 (B) Many of the changes implicated by this act are highly
3 technical and require careful study of the purpose and context of each
4 Arkansas Code section, with the need for some of the changes not becoming
5 apparent until the implementation of this act;

6 (C) When implementing revisions as large and comprehensive
7 as the changes under this act, it is inevitable that certain sections of the
8 Arkansas Code requiring technical changes to follow the intent of this act
9 will be either omitted or amended in a manner that is later found to be
10 erroneous and unintentional;

11 (D) It is likewise inevitable that other acts enacted by
12 the Ninety-fourth General Assembly will not take into account the changes in
13 this act, resulting in technical inconsistencies between newly passed laws;
14 and

15 (E) If the correct statutory change to remedy an
16 unintentional error or an inconsistency between this act and another act of
17 the Ninety-fourth General Assembly is readily apparent and consistent with
18 the intent of this act, the unintentional error or inconsistency should be
19 corrected as part of the codification process due to the technical nature of
20 the unintentional error or inconsistency.

21 (2) It is the intent of the General Assembly to empower the
22 Arkansas Code Revision Commission to correct technical errors identified in
23 the Arkansas Code during the implementation of this act to allow this act to
24 be fully implemented.

25 (b)(1)(A) Any person or state entity identifying one (1) or more

27 of this act may notify the Director of the Bureau of Legislative Research or

30 the commission with the commission's powers and duties, becomes aware of one
31 (1) or more sections of the Arkansas Code that require revision to implement
32 the intent of this act for which it appears that the bureau and the
33 commission do not have authority to make the necessary revision under § 1-2-
34 303(d), the bureau may notify the commission of the section or sections at
35 issue.

36 (2) If the commission determines that the revision necessary to

1 one (1) or more sections of the Arkansas Code under subdivision (b)(1) of
2 this section is technical in nature, germane to the intent of this act, and
3 consistent with this act's policy and purposes, the commission may make the
4 revision to the Arkansas Code.

5 (3) The commission shall notify the publisher of the Arkansas
6 Code of a revision to the Arkansas Code under subdivision (b)(2) of this
7 section as soon as possible so that the revision may be reflected in the
