35 Division of Higher Education and approval by the Governor, a grant from the

36 Disaster Relief Fund to:

1           (1) Return the institution of higher education to normal  
2 operations; or

3           (2)(A) Enable a campus that is part of and incorporated into the  
4 institution of higher education affected by the disaster emergency to provide  
5 services to the students enrolled in the campus of the institution of higher  
6 education affected by the disaster emergency.

7           (B) A certified law enforcement officer employed by an  
8 institution of higher education during the declaration of a disaster  
9 emergency by the Governor under § 12-75-107 may be granted jurisdiction at a  
10 campus that is part of and incorporated into the institution of higher  
11 education affected by the disaster emergency upon agreement of both campuses.

12           (c)(1) The division is authorized a pool of five hundred (500) extra

19 providing services to the students enrolled in the campus affected by the  
20 disaster emergency.

21           (3) The Governor may waive the restriction on periods of time  
22 during which an employee may be employed as extra help during a fiscal year

24  
25           SECTION 30. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS  
26 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW.

27 DHE - REALLOCATION OF RESOURCES FOR INSTITUTIONS OF HIGHER EDUCATION. Upon  
28 determination by the president or chancellor of an institution of higher  
29 education that a reallocation of resources for purposes of reorganization or  
30 consolidation of administrative functions within the institution is necessary  
31 for efficient and effective operations of the institution, the president or  
32 chancellor, with approval of the institution's board of trustees, may have  
33 the authority to transfer positions, appropriations and related funds between  
34 campuses, divisions, branches, and other budgetary units of the institution,  
35 after receiving prior approval of the Legislative Council or Joint Budget  
36 Committee. The transfers of positions, programs, or activities shall be used

1 for those purposes for which the appropriations were approved by the General  
2 Assembly. The transfers, consolidations, or reorganizations which involve  
3 academic programs shall be reviewed by the Division of Higher Education prior  
4 to submission to the Legislative Council or Joint Budget Committee. Provided,  
5 however, that the institution shall be limited to submitting no more than two  
6 (2) individual transaction transfer requests during any fiscal year and shall  
7 be further limited to no more than five percent (5%) of the total General  
8 Revenue and Special Revenue appropriation, funding, positions specific to  
9 each institution, and no Tobacco Settlement funds or appropriations may be  
10 reallocated pursuant to this section.

11 Determining the maximum number of employees and the maximum amount of  
12 appropriation and general revenue funding for institutions of higher  
13 education each fiscal year is the prerogative of the General Assembly. This  
14 is usually accomplished by delineating such maximums in the appropriation  
15 act(s) for institutions of higher education and the general revenue  
16 allocations authorized for each fund and fund account by amendment to the  
17 Revenue Stabilization law. Further, the General Assembly has determined that  
18 institutions of higher education may operate more efficiently if some  
19 flexibility is provided to institutions of higher education authorizing broad  
20 powers under this section. Therefore, it is both necessary and appropriate  
21 that the General Assembly maintain oversight by requiring prior approval of  
22 the Legislative Council or Joint Budget Committee as provided by this  
23 section. The requirement of approval by the Legislative Council or Joint  
24 Budget Committee is not a severable part of this section. If the requirement  
25 of approval by the Legislative Council or Joint Budget Committee is ruled  
26 unconstitutional by a court of competent jurisdiction, this entire section is  
27 void.

28 The provisions of this section shall be in effect only from July 1, ~~2022~~  
29 2023 through June 30, ~~2023~~ 2024.

36 documents as may be necessary shall be processed so that funds may be

1 transferred from the Work Force 2000 Development Fund to the State Treasury  
2 fund or fund account from which the technical college draws its general  
3 revenue support. Such funds as may be transferred shall not exceed 93.691%

8 determined by law transfers or merges into the Arkansas Technical College and

10 are determined by law, then the actual amount of support from the Work Force  
11 2000 Development Fund in the preceding fiscal year for such educational  
12 institution shall be made available irrespective of any other provision of  
13 law which sets out maximum levels of support from such fund.

15 those amounts collected and distributed prior to June 30, 2014 shall be

15 (B) In the event that the number of eligible students  
16 accepted for enrollment at such participating institution exceeds the number  
17 of eligible grant recipients for whom funds have been allocated by the  
18 division from funds appropriated, such participating institution shall have  
19 sole discretion in selecting the eligible students to designate as eligible  
20 grant recipients.
