11 SECTION 5. EMERGENCY CLAUSE. It is found and determined by the  
12 General Assembly of the State of Arkansas that the provision of educational  
13 services to children in the State of Arkansas impacts the public peace,  
14 health, and safety through its effect upon student learning, which is  
15 critical for the future success of the state; that educational services for  
16 children with disabilities is essential for purposes of helping those  
17 children reach their full potential, which is directly impacted by the  
18 services provided by schools and the State of Arkansas; that the State of  
19 Arkansas passed laws during its most recent Regular Session that provide  
20 access to additional funding for families of children with disabilities  
21 beginning in the 2023-2024 school year, and additional amendments are  
22 necessary to clarify those laws; that the 2023-2024 school year is already  
23 underway, which demonstrates the urgency with respect to amending the laws  
24 that affect families of children with disabilities; and that this act is  
25 immediately necessary to give the Department of Education time to promulgate  
26 rules necessary to implement this act and coordinate the rules with other  
27 changes to the law as well as to allow time for families with lower incomes  
28 to plan for the educational placement of their children with disabilities.  
29 Therefore, an emergency is declared to exist, and this act being immediately  
30 necessary for the preservation of the public peace, health, and safety shall  
31 become effective on:

32 (1) The date of its approval by the Governor;

33 (2) If the bill is neither approved nor vetoed by the Governor,  
34 the expiration of the period of time during which the Governor may veto the  
35 bill; or

36 (3) If the bill is vetoed by the Governor and the veto is

1 overridden, the date the last house overrides the veto.
