22 after receiving notice of Arkansas liability.

23 (b) A one-and-nine-tenths-percent rate
24 will be assigned unless a timely election has been made.

25 (iii)(a) If the election is timely made, the
26 employer's account will receive the rate elected for the remainder of that
27 rate year.

28 (b) The rate assigned for the next and
29 subsequent years will be determined by the condition of the account on the
30 computation date.

31 (C) However, any employer having no covered employment
32 under this chapter for any calendar year shall have a rate equal to his or
33 her most recently determined contribution rate until the employer has one (1)

8 (b) Provided, however, an employer who, at the
9 time of establishing an account, is in business in another state or states

(C) However, an employer having no covered employment under this chapter for any calendar year shall have a rate equal to his or her most recently determined contribution rate until the employer has one (1) full year of benefit risk experience immediately preceding the computation date.

(4)(A) Notwithstanding any other provisions of §§ 11-10-701 – 11-10-715, if the director determines that an employer has willfully submitted false information that is material with respect to the employment or separation from employment of any claimant, employee, or former employee, for the purpose of preventing regular benefit charges to the employer's account, the employer shall be assessed a penalty equivalent to twice the amount of the claimant's maximum potential benefit amount.

(B) This penalty shall be charged against the employer's account for experience rating purposes, regardless of whether or not the employer is a base-period employer and irrespective of the identity or number of the base-period employer.

~~(4)(5)~~ (5) An employer who changes from reimbursement to the contributory method of financing shall be considered a new or newly covered employer and can be entitled to an experience rate only when the new or newly covered employer has met the requirements of this subsection.
