ADDITIONAL PUBLIC SCHOOL EMPLOYEES HEALTH INSURANCE

This appropriation allowed the Department of Education (ADE) to pay up to \$35 million in additional health insurance contributions for eligible employees electing to participate in the public school employees' health insurance program administered by the State and Public School Life and Health Insurance Board. ADE is authorized to make these payments if 98% of the uniform rate of tax used in the calculation of State Foundation Funding Aid exceeds \$920,731,819.

ADVANCED PLACEMENT INCENTIVE

The Advanced Placement (AP) Incentive program provided support to establish AP courses that are easily accessible and prepare students for admission to and success in a postsecondary educational environment. AP courses and exams provide high school students the opportunity to earn credit at most colleges and universities. The program paid for professional development support for teachers of AP and Pre-AP courses.

ASSESSMENT/END OF LEVEL TESTING

This line item pays awards of up to \$50 to schools for each student score of 3 or better on Advanced Placement exams. ADE also supports school districts by providing each student in grade 10 or 11 with the opportunity to take the ACT exam without charge, pursuant to Ark. Code Ann. § 6-18-1606. Funds are also used to provide concurrent classes to high school students. The Office of Innovation for Education (OIE) is funded by the Assessment appropriation and works with ADE and school districts in developing accountability systems that meet the changing educational needs of Arkansas students. This line item also supports a grant for hosting the online version of the Arkansas Civics exam, as required by Act 478 of 2017.

BETTER CHANCE GRANTS

Arkansas Better Chance Grants are administered by the Arkansas Department of Education, Division of Secondary and Elementary Education, to serve educationally-deprived children ages birth through 5 years, excluding those enrolled in kindergarten.
