(1) After making the deductions required under § 19-5-202(b)(2)(B)(i), certify to the Governor and the Office of Economic and Tax Policy the amount of available net general revenues attributable to the collection of sales and use tax from sellers that do not have a physical presence in the state during the first twelve (12) months of collections;

(2) Use any amount under subdivision (a)(1) of this section that exceeds seventy million dollars ($70,000,000) to reduce the rate of four and five-tenths percent (4.5%) in the table contained in subdivision (a)(7) of this section equally for all taxpayers subject to the rate of four and five-tenths percent (4.5%);

SECTION 2. Arkansas Code § 26-52-107 is amended to read as follows:
26-52-107. Disposition of taxes, interest, and penalties.

(a) All except as provided in subsection (b) of this section, all taxes, interest, penalties, and costs received by the Director of the Department of Finance and Administration under the provisions of this chapter and the Arkansas Compensating Tax Act of 1949, § 26-53-101 et seq., shall be general revenues and shall be deposited into the State Treasury to the credit of the State Apportionment Fund. The Treasurer of State shall allocate and transfer the same to the various State Treasury funds participating in general revenues in the respective proportions to each as provided by, and to be used for the respective purposes set forth in, the Revenue Stabilization Law, § 19-5-101 et seq.

SECTION 3. Arkansas Code § 26-52-317(a), concerning the sales tax levied on food and food ingredients, is amended to read as follows:

(a)(1)(A) The Director of the Department of Finance and Administration shall determine the following conditions:

(A) That federal law authorizes the state to collect sales and use tax from some or all of the sellers that have no physical presence in the State of Arkansas and that make sales of taxable goods and services to Arkansas purchasers;

(B) That initiating the collection of sales and use tax from these sellers would increase the net available general revenues needed to fund state agencies, services, and programs; and

(C)(i) That during a six-month consecutive period, the amount of net available general revenues attributable to the collection of sales and use tax from sellers that have no physical presence in the State of Arkansas is equal to or greater than one hundred fifty percent (150%) of sales and use tax collected under subsection (c) of this section and § 26-53-145 on food and food ingredients.

(ii) The director shall make the determination under subdivision (a)(1)(C)(i) of this section on a monthly basis following the determination that the conditions under subdivision (a)(1)(A) of this section have been met.

(2)(A) Beginning July 1, 2013, the director shall make a monthly determination as to whether the aggregate amount of deductions from net general revenues attributable to the following during the most recently ended six-month consecutive period, as compared with the same six-month period in the prior year, has declined by thirty-five million dollars ($35,000,000) or more:

(i) The Educational Adequacy Fund;

(ii) Bonds issued under the Arkansas College Savings Bond Act of 1989, § 6-62-701 et seq.;

(iii) Bonds issued under the Arkansas Higher Education Technology and Facility Improvement Act of 2005, § 6-62-1101 et seq.;

(iv) The City-County Tourist Facilities Aid Fund;

(v) Amounts disbursed or approved to be disbursed by the Department of Education for desegregation expenses under any desegregation settlement agreement, as certified by the Treasurer of State and the Chief Fiscal Officer of the State under § 6-20-212; and

(B)(i) In making the determination in this subdivision (a)(2)(a)(1), the director shall consider all economic factors existing at the time of the determination that could potentially affect the decline in the aggregate amount of deductions, including without limitation pending litigation.

(ii) If the consideration of additional economic factors under subdivision (a)(2)(B)(i) of this section results in a determination that the decline in the aggregate amount of deductions is not likely to remain at that reduced level, the director shall conclude that the conditions in this subdivision (a)(2)(a)(1) have not been met.

(3) (2) When the director finds that all of the conditions in either subdivision (a)(1) of this section or subdivision (a)(2) of this section have been met, then the gross receipts or gross proceeds taxes levied under subsection (c) of this section shall be levied at the rate of zero percent (0%) on the sale of food and food ingredients beginning on the first day of the calendar quarter that is at least thirty (30) days following the determination of the director.

SECTION 4. Arkansas Code § 26-53-145(a), concerning the compensating use tax levied on food and food ingredients, is amended to read as follows:

(a)(1) The Director of the Department of Finance and Administration shall determine the following conditions:

(A) That federal law authorizes the state to collect sales and use tax from some or all of the sellers that have no physical presence in the State of Arkansas and that make sales of taxable goods and services to Arkansas purchasers;

(B) That initiating the collection of sales and use tax from these sellers would increase the net available general revenues needed to fund state agencies, services, and programs; and

(C)(i) That during a six-month consecutive period, the amount of net available general revenues attributable to the collection of sales and use tax from sellers that have no physical presence in the State of Arkansas is equal to or greater than one hundred fifty percent (150%) of sales and use tax collected under subsection (c) of this section and § 26-52-317 on food and food ingredients.

(ii) The director shall make the determination under subdivision (a)(1)(C)(i) of this section on a monthly basis following the determination that the conditions under subdivision (a)(1)(A) of this section have been met.

(2)(A) Beginning July 1, 2013, the director shall make a monthly determination as to whether the aggregate amount of deductions from net general revenues attributable to the following during the most recently ended six-month consecutive period, as compared with the same six-month period in the prior year, has declined by thirty-five million dollars ($35,000,000) or more:

(i) The Educational Adequacy Fund;

(ii) Bonds issued under the Arkansas College Savings Bond Act of 1989, § 6-62-701 et seq.;

(iii) Bonds issued under the Arkansas Higher Education Technology and Facility Improvement Act of 2005, § 6-62-1101 et seq.;

(iv) The City-County Tourist Facilities Aid Fund;

(v) Amounts disbursed or approved to be disbursed by the Department of Education for desegregation expenses under any desegregation settlement agreement, as certified by the Treasurer of State and the Chief Fiscal Officer of the State under § 6-20-212; and

(B)(i) In making the determination in this subdivision (a)(2)(a)(1), the director shall consider all economic factors existing at the time of the
determination that could potentially affect the decline in the aggregate amount of deductions, including without limitation pending litigation.

(ii) If the consideration of additional economic factors under subdivision (a)(2)(B)(i) of this section results in a determination that the decline in the aggregate amount of deductions is not likely to remain at that reduced level, the director shall conclude that the conditions in this subdivision (a)(2)(a)(1) have not been met.

(3) When the director finds that all of the conditions in either subdivision (a)(1) or subdivision (a)(2) of this section have been met, then the compensating use taxes levied under subsection (c) of this section shall be levied at the rate of zero percent (0%) on the sale of food and food ingredients beginning on the first day of the calendar quarter that is at least thirty (30) days following the determination of the director.

SECTION 5. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the state has many needs, including without limitation the need to reduce taxes to make the state more competitive with surrounding states and the need to invest in a variety of programs for the wellbeing of the state’s citizens; that as a result of federal and state law changes, Arkansas may soon receive additional state sales and use tax collections from sellers that do not have a physical presence in this state; that the additional tax collections from sellers that do not have a physical presence in this state are in addition to the tax collections Arkansas might otherwise have anticipated receiving from ordinary growth of the state’s economy; that it is currently impossible to determine the amount of additional tax collections the state might receive from sellers that do not have a physical presence in this state; that state law currently contains competing provisions regarding the use of the anticipated tax collections from sellers that do not have a physical presence in this state; that unless a clear method is established to set aside and use the additional tax collections from sellers that do not have a physical presence in this state, the citizens of this state will be adversely affected by the inability to use these additional revenues in the best manner possible for the benefit of our citizens; and that this act is immediately necessary to avoid any adverse effect on the citizens of Arkansas by providing an orderly method to identify the additional collections from sellers that do not have a physical presence in this state and provide for their use in a manner that provides the greatest benefit to the citizens of this state in the most efficient manner possible. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;
(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.”

On motion of Senator Dismang, the Senate adjourned until noon on or before May 5, 2017.

PRESIDENT OF THE SENATE

SECRETARY OF THE SENATE
The Senate was called to order at 1:00 o'clock p.m. by the President.

The Secretary called the roll, and the following members answered to roll call:

BLEDSOE, BOND, CALDWELL, CHEATHAM, CHESTERFIELD, CLARK, COLLINS-SMITH, COOPER, DISMANG, EADS, ELLIOTT, ENGLISH, FILES, FLIPPO, FLOWERS, GARNER, HENDREN, HESTER, HICKEY, HUTCHINSON, INGRAM, IRVIN, JOHNSON, KING, LINDSEY, MALOCH, RAPERT, RICE, SAMPLE, SANDERS, STANDRIDGE, STUBBLEFIELD, TEAGUE, WALLACE, WILLIAMS,

The Senate was led in prayer by Senator Alan Clark.

The Senate was led in the Pledge of Allegiance by the President.

On motion of Senator Dismang, the reading of the Journal was dispensed with.
Dear President Dismang and Members of the Senate:

Pursuant to Article 6, Section 15 of the Arkansas Constitution, I write to inform you that today I have vetoed Senate Bill 496. I have done so because the action prescribed by the bill is an infringement on the executive's power to enforce the laws enacted by the General Assembly.

SB 496 would require law enforcement officers to ignore illegal conduct and would prohibit a specific executive agency from enforcing Arkansas law. Should the legislature wish to make changes to Arkansas's gambling laws, then addressing those specific codes sections would be the appropriate measure. Rather, with this bill, the legislative branch has singled out a single enforcement agency in an effort to prevent the executive branch from enforcing existing criminal laws.

While I respect Senator Flippo's intent to respond to issues raised by his constituents, prohibiting executive enforcement of laws enacted by the General Assembly is not the proper method to address these concerns.

For these reasons, I must veto Senate Bill 496.

Sincerely,

s/ Asa Hutchinson

Asa Hutchinson
Dear President Dismang and Members of the Senate:

Pursuant to Article 6 of the Arkansas Constitution, I write to inform you that today I have vetoed Senate Bill 446. I have done so because it is now up to the local school districts to choose whether to pay for the panic button alert systems.

SB 446 is an appropriation for the panic button alert system expenses. When the panic button system was initially presented for funding in FY16, it was presented as a pilot project that the local school districts would eventually pay for. After funding for FY16 from the Department of Education and for FY17 with money from the Attorney General's office, it is now time for the local school districts to choose to fund this or not.

For these reasons, I have vetoed Senate Bill 446.

Sincerely,

s/ Asa Hutchinson

Asa Hutchinson
Dear President Dismang and Members of the Senate:

Pursuant to Article 6, Section 15 of the Arkansas Constitution, I write to inform you that today I have vetoed Senate Bill 550. I have done so because the bill in its current form is overbroad, vague and will have the effect of restricting both free speech and the right to assemble.

On its face, SB550 attempts to ensure public safety. Public safety is, first and foremost, a priority of government. Much of my life in public service has been spent in pursuit of this goal. That being said, a balanced view is always required in approaching public policy. Benjamin Franklin’s famous remark, “Those who would give up essential Liberty, to purchase a little temporary Safety, deserve neither Liberty nor Safety,” comes to mind with regard to this legislation.

SB550 defines mass picketing as “the assembly of persons in the use of pickets or demonstrations at or near a business, school, or private facility.” Such a description is vague as it fails to sufficiently provide the public or law enforcement with the parameters under which the statute would be utilized. The bill would provide an opportunity for law enforcement to apply criminal statutes to public assembly, and in being vague in its definition, could impede the exercise of constitutional rights.

SB550 itself appears to anticipate potential constitutional issues. The bill includes the following: “This section does not apply to a person who is validly exercising his or her rights as guaranteed by the United States Constitution or the Arkansas Constitution.” However, the bill fails to identify bright-line differentiation between constitutionally protected activity and activity subject to the penalties outlined in the bill. In short, it is both overly broad and vague.
Finally, the core issues SB550 attempts to address are already provided for in existing statute, specifically:

10-2-110. Disruptive conduct

5-54-102. Obstructing governmental operations
5-71-226. Disruption of campus activities
5-60-123. Obstructing emergency medical personnel

While Senator Garner’s goal - public safety - is admirable, I believe this bill will have a chilling effect on free speech and the right to assemble. For these reasons, I must veto this bill.

Sincerely,

s/ Asa Hutchinson
