SECTION 4. Arkansas Code § 24-7-1601(b)(4), concerning the legislative history and findings regarding optional participation by employees of institutions of higher education in the Arkansas Teacher Retirement System, is amended to read as follows:

(4) The general intent of the early legislation was to allow those institutions of higher education employers to offer their employees the option to participate in an ~~alternative~~ alternate retirement plan, the Arkansas Teacher Retirement System retirement plan, or the Arkansas Public Employees' Retirement System retirement plan.

SECTION 5. Arkansas Code § 24-7-1602(1) and (2), concerning the definitions of "alternative retirement plan" and "benefits-eligible" as they apply to the optional participation of employees of institutions of higher education in the Arkansas Teacher Retirement System, is amended to read as follows:

~~benefits for a benefits-eligible employee of a post-secondary or higher education employer;~~

(a)(1) This subchapter controls any inconsistent provision of any other law regarding the enrollment and coverage of an employee of a PSHE employer in either the Arkansas Teacher Retirement System retirement plan or an alternative alternate retirement plan that is offered by a PSHE employer.

SECTION 7. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the operations of a state public retirement system are complex; that the Arkansas Teacher Retirement System must be able to meet the needs of its members as anticipated by the General Assembly; that certain provisions of § 24-7-201 et seq. are in need of immediate revision and updating to conform with sound public pension policy and actuarial requirements; that there are conflicts in the law applicable to the Arkansas Teacher Retirement System concerning reciprocal service in alternate retirement plans; that member benefits will be at risk if the conflicts in the law concerning reciprocal service in alternate retirement plans remain unresolved; that this act resolves the conflicts in the law concerning reciprocal service in alternate retirement plans; that such revision and updating is of great importance to members of the Arkansas Teacher Retirement System and to other citizens of this state; and that this act is necessary in order to maintain an orderly system of benefits for the members of the Arkansas Teacher Retirement System and reciprocal systems. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."
